

AP US History  
Unit 12: Chapter 26 Study Guide  
*Peaceseekers and Warmakers: Americans in the World 1920-1941*

**IDs:**

1. American Peace Movement
2. Kellogg-Briand Pact 1928
3. Good Neighbor Policy
4. Fascism
5. Policy of Appeasement
6. *St. Louis* Voyage
7. Sino-Japanese War
8. Lend-Lease Act
9. Atlantic Charter
10. Pearl Harbor

**Objectives:**

1. Discuss the American policy toward the war debts and reparations issue after the First World War and explain the consequences of that policy.
2. Explain the means by which the United States maintained its dominance over Latin America between the World Wars.
3. Explain the nature and growth of isolationist sentiment in the United States, and discuss the Neutrality Acts as an expression of such sentiment.
4. Examine the deterioration of Japanese-American relations from the 1920s to the Japanese attack against Pearl Harbor, and discuss American entry into the Pacific theater of the Second World War.

\*\*\*\*\*

5. Explain Europe's descent into World War II.
6. Examine the erosion of American neutrality toward the war in Europe between September 1939 and December 7, 1941.
