March 2013

Dear Parent/Guardian,

At Murrieta Valley High School, we want to make PROM 2013 a memorable, fun, and most importantly, a SAFE experience for all students. This year's event will be held at The USS Midway in San Diego, CA. The distance to this venue is approximately 67 miles. Unfortunately, a close venue for 800 students was not available.

The USS Midway is located in San Diego at 910 North Harbor Dr. San Diego, CA 92101. Driving into San Diego can be a challenge and sometimes a stressful situation. Weekend traffic is never predictable and a trip in normal conditions should take less than one hour. To insure your student remains safe and suffers the least amount of stress the administrative team at MVHS strongly encourages your student to use one of the following methods of transportation for this year's Prom:

- We have secured a bus that will provide round trip transportation from the school to the USS Midway. The cost for the bus is \$20.00 w/ ASB and \$25.00 w/o ASB per person.
- Parent transportation or a parent carpool.
- Transportation by limousine/limousine sharing.

We do not wish for students to drive themselves to the Prom, and urge you to use one of these alternative methods of transportation to this year's event. We thank you for your efforts in making the PROM a most memorable and safe one by choosing safe transportation. Please fill out the attached form and have your son/daughter return it to the Bookkeeper's window when purchasing their Prom tickets.

Respectfully,

Mrs. Renate Jefferson  
Principal

Ms. Mason & Mrs. Nichols  
Junior Class Advisor's

Ms. Geniel Moon  
Activities Director
