

**Alta Murrieta Elementary School
School Site Council Ballot
2016-2017**

The following parents have expressed interest in serving on our School Site Council. This important school committee works with a team of teachers, school staff, and administrators to analyze school data, develop school goals, and determine appropriate expenditures to meet these goals. We currently have two parent positions to fill on our council for this upcoming school year. Please check the box next to the **two (2)** applicants you would like to see serving as parent representatives or write in a nominee. You may complete one ballot per family. Thank you for your participation. Ballots are due to the main office by **3:00 p.m. on Friday, August 26.**

Family Name: _____

- Mary Ann Agas-Hoel
This is our 3rd year at Alta Murrieta Elementary School. I only have one daughter. Her name is Jazmyn Agas. I don't have experience on School Site Council but have been involved with my children's school since they started school at a math and science magnet in LAUSD. I was a teacher's assistant.
- Kelly Randolph
Hi my name is Kelly Randolph. I've served on the School Site Council team for the past 2 years and saw such wonderful things happening on campus. I would love to return to help represent the families here at Alta. I am currently a stay at home mom, however I have my B.S. in Child and Family Development and my M.S in Rehabilitation Counseling. I have 2 girls here at Alta. Ella is in Mrs. Allen's 2nd grade class and Kaila is in Mrs. Brown's PM Kinder class. This is our 3rd year here at Alta, however both girls attended a co-op preschool on campus (Ready, Set, Grow Preschool) so we have actually been a part of the campus for the past 5 years. Although I have not sat as a School Site Council member yet, I have held several board positions at Ready, Set, Grow Preschool from Class Representative to School President. I feel that volunteering my time at my children's schools, whether it be serving as President or assisting in the classroom, to serving as a School Site Council member is necessary in showing my children the importance of education. I feel I have the ability to help make important decisions for the students and staff at Alta Murrieta Elementary.
