Dear Parents and Wrestlers,

Welcome to the beginning of the 2014-2015 wrestling season. This past season we enjoyed one of our best seasons in school history. For the first time we took 2<sup>nd</sup> in league and competed in the CIF Duals and went 1-1, losing to the eventual CIF runner-up. We had 7 league finalists with 3 winning league titles. 4 of the league placers also placed in CIF, including CIF Champion Wyatt Paterson. Wyatt was also the school's 3<sup>rd</sup> state qualifier by taking 3<sup>rd</sup> in Masters. We had a very young group of wrestlers starting on the varsity lineup, with the majority of the starting team returning for the 2014-15 season. This youth showed promise that great things are coming our way. This offseason has been very productive with several members of the team competing in our youth club (Bronco Kids Wrestling Club, "BKWC") and wrestling numerous offseason tournaments, with dozens of medals already in hand. The Bronco program has been fortunate in the past and had the support of parents and the community, and I ask for your continued support this season. As the head coach, it is my job to ensure that the Bronco wrestling program instills discipline, character, sportsmanship, and responsibility in every wrestler. My job isn't just to produce great wrestlers, but to produce great young men and women that will be successful in life. I look forward to meeting all of you at our home matches this season. GO BRONCOS!
