## **MMHS PARKING RULES AND REGULATIONS**

To ensure student and staff safety and to prevent unauthorized vehicles from parking on our campus and allowing entry to our campus, Murrieta Mesa High School has implemented a parking program. All vehicles parking on the lot of MMHS must have a valid MMHS parking permit, which may be purchased through the Bookkeeper's Office. Temporary or one-day passes will not be given to students at any time.

**Parking is at your own risk.**

### **0100—PARKING PERMIT NOT VISIBLE**

Every vehicle parked in any of the MMHS parking lots will be required to have a valid MMHS parking permit, which must be purchased through the Bookkeeper's office. Parking in one of the parking lots at MMHS without obtaining a permanent MMHS parking permit and making sure it is visible, is in accordance with violation 0200 and could result in receiving a ticket with a \$25.00 fine.

### **0200—PARKING PERMIT NOT PROPERLY DISPLAYED**

Every vehicle parking in any parking lot on the MMHS campus must possess a parking permit in accordance with violation 0100.

Parking permits must be hung from the rear-view mirror, with the permit information facing forward. It is a violation to not properly display the parking permit and make it clearly visible and could result in receiving a ticket with a \$25.00 fine.

### **0300—NOT PROPERLY PARKED IN PARKING STALL**

Each vehicle that parks in any MMHS parking area must have the front of the vehicle leading into the marked stall. Each stall will be clearly marked enabling the driver to know where the vehicle is to be parked. When the vehicle has come to rest, the front of the vehicle will be facing into a second stall. It is a violation to not have your vehicle facing into the parking stall or having your car cross over the line into a second stall and could result in receiving a ticket with a \$25.00 fine.

### **0400—PARKING IN RESERVED STAFF PARKING LOT WITHOUT THE PROPER PERMIT**

Each vehicle parked in a "reserved" stall, must have a permit which has been designated for that assigned stall. The school site principal or administrative designee will assign each "reserved" stall with the appropriate parking permit number. No student or visitor shall park in the reserved staff stalls at any time. It is a violation for students or visitors to park in the reserved stall area and could result in receiving a parking ticket with a \$35.00 fine.

### **0500—NOT PARKED IN DESIGNATED LOT**

Murrieta Mesa High School's available parking is divided into 2 lots:

1. A staff / visitor lot located to the right of the school.
2. A student lot located to the left of the school.

It is a violation for students to park in areas other than designated "student parking" and could result in receiving a ticket with a \$35.00 fine.

### **0600—VEHICLE SEARCH**

Vehicles parked on the Murrieta Mesa property are subject to search if administration has a reasonable suspicion of illegal Drugs, Weapons, and/or Alcohol. Murrieta Mesa utilizes safety dogs to ensure the safety of all students, staff, and visitors.

**Parking space is limited! Parking permits are available on a first come, first served basis and are available only to students who have a valid California Driver's license and vehicle information. IF parking permits are sold out, a waiting list will be prepared (with valid California driver's license). IF you are on the waiting list, you may purchase parking permit, if or when a parking permit becomes available.**

**Please note: Students with 5 truancies in a semester, will result in parking privilege revocation for the remainder of the school year.**
