Supplemental Criteria Admissions 2014

SUPPLEMENTAL CRITERIA FOR ADMISSION TO THE GENERIC BASIC NURSING PROGRAM AT CSU CHANNEL ISLANDS

Student applicants will be rank ordered for admission according to the following point structure. Up to 49 possible supplemental criteria points can be earned. Students must still meet the minimum prerequisite course requirements for admission to be eligible for admission to the Generic/Basic Program. Points will be awarded based on coursework and volunteer/work experience hours completed at the time nursing application is submitted.

Grade point average in Pre-Nursing Core course or equivalent: 10 Points Possible

The cumulative grade point (GPA) is required for following six of the eight Pre-Nursing Core courses (or their equivalents):

Course #	Class
BIOL 210	Human Anatomy & Physiology I
BIOL 211	Human Anatomy & Physiology II
BIOL 217	Medical Microbiology
CHEM 110	Chemistry of Life
COMM 101	Public Speaking
ENGL 105	Composition and Rhetoric I

For a "W" (Withdrawal) from a prerequisite 1 point will be subtracted, for all withdrawals within the previous 5 years. Prerequisites may be in progress during semester application is submitted and will be calculated as a B pending receipt of final transcript. Courses cannot be taken more than twice.
