A personal welcome from the university president starts off this information-packed event. Activities not to be missed include an information fair with representatives from all academic programs and student services available to answer questions. You may also check out university housing options.

Plan to spend the day learning about financial aid, listening to presentations, and touring the campus and its various programs and departments. Your college application and selection process is very important. We want to show you why so many students choose CSU, Chico and how we can help put you on the path to a four-year degree.
