

# Stay Connected!

In addition to classroom communication from your child's teacher and the periodic phone calls/email from Mr. Coley, Alta utilizes a variety of media outlets to get the most current news and information delivered to you. We don't want anyone to miss out, so if you haven't already done so, please take a look at the six methods of communication we're using to keep families informed.

Choose one, choose a few, or choose them all! Stay connected!
