

Message from the Principal For New Kindergarten Parents

Welcome to Lisa J. Mails Elementary School! We are so pleased that you will be joining us for the coming school year. Lisa J. Mails will offer your kindergartner a unique educational experience, combining strong academic instruction and support, with a focus on the visual and performing arts. We are confident that your child will be challenged, cared for, and enriched by the learning opportunities at Lisa J. Mails.

We hope that you will join us for an upcoming presentation entitled, “Kindergarten Here I Come”. This is scheduled for Monday, May 18th, from 12:30 – 1:30. This meeting will provide you with information regarding Kindergarten expectations, as well as specific ways you can prepare your child for this transition. Incoming Kindergartners are invited and will take part in some fun activities.

In addition, we will hold a special Meet and Greet for our Kindergarten families at Mails in early August, prior to school beginning. At this event, you and your child will have a chance to visit with your Kindergarten teacher and to become familiar with the classroom procedures. The date and time for this event will be communicated as we get closer to August.

Again, we are happy to welcome you to our community. We hope that our school will be a truly positive part of your child’s academic and personal development! Please let us know if you have any questions along the way!

Sincerely,

Faythe Mutchnick, Principal
