Hands On: Use a Multiplication Table

Problem of the Day ——————————— NS 2.8

Heidi counted 2 roses on a rose bush. André counted 4 times as many roses on another rose bush. What was the total number of roses the two friends counted?

Number Sense Review ——————————— NS 2.8

Ann was born 17 years before 1971. How old was Ann in 2001?

Number of the Day ——————————— NS 1.1

100

Why is the number 100 important?

Facts Practice ——————————— KEY NS 2.1

Subtract.

1. $562 - 27$ **2.** $3,719 - 2,845$

3. $3,215 - 2,876$ **4.** $874 - 535$
