

Beothuk by Logan

Where did the tribe live? Newfoundland, Canada

What did they eat? They hunted mammals and fish and seals.

What did they wear? they wore animal skins and moccasins.

What kind of homes did they build? They did not live in teepees. They lived in wigwams that were called mamateek.

Interesting Facts:

1. They like the color red.
2. They painted their bodies and hair bright red.
3. They didn't wear headdresses.
4. Beothuk means "good people of kinship."
