# Thompson Middle School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Thompson's Mission: Our mission is to Inspire Every Student to Think, to Learn, to Achieve, to Care with P.R.I.D.E. Thompson's Vision: Our vision is academic and personal excellence for all. Thompson Middle School is a California Gold Ribbon School and a two-time California Distinguished School that serves students in grades six through eight. Thompson was recognized as a California Gold Ribbon School for embracing rigorous academic standards, providing excellence and creativity in teaching, and for creating a positive school climate. The curriculum focuses on the core areas of language arts, math, social studies, and science and is closely aligned with California Content Standards. Regular, advanced, and intervention classes in the core subjects are offered to improve basic skills and these classes are augmented by physical fitness and exploratory courses. All courses are designed to improve our students' opportunities for success in high school and beyond. Thompson Middle School's faculty always looks to its future; we believe as educators that we have an obligation to prepare our students today for personal excellence and future success. Thompson has adopted multiple collaborative structures such as Office Hours and PLT's, ensuring student success in mastering California's Common Core State Standards (CCSS) while using technology as a platform to enhance student learning. The entire community of learners at Thompson is committed to ensuring that our students have access to the most effective and engaging instruction and environment. While academic success is a priority, Thompson Middle School also believes that middle school should be a place for all students to explore new disciplines, experience new opportunities, and engage in learning with P.R.I.D.E. This acronym stands for perseverance, respect, integrity, dedication, and excellence. Hundreds of students participate in our visual and performing arts (VAPA), student leadership, associated student body (ASB), Where Everyone Belongs (WEB), Peer Mentorship, and STEM programs (Robotics, Computer Programing, Video Production). In addition, Pioneer students participate in an annual Club Rush where students generate student interest in clubs. In addition, students participate in local and county academic, athletic, robotics, and VAPA competitions. At Thompson, we want to develop each student's skills to meet life's challenges with perseverance, respect, integrity, dedication, and excellence.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in MVUSD are aligned with the State of California's standards and curriculum frameworks, they are field tested with students, and reviewed by administrators, teachers, and parents before Board of Education adoption at a public meeting.

## School Facility Conditions and Planned Improvements

Thompson Middle School opened in 1994 and moved to their current site in 1996. The school has 54 classrooms, a multipurpose room, five science labs, boys' and girls' locker rooms, a gymnasium and sports fields. In addition, the school has a library, six full-sized computer labs, four computer minilabs, student computers in every classroom, cafeteria, administrative offices, and staff lounge.

The district provides upkeep, maintenance, and cleaning of district schools. Schools and rest rooms are cleaned daily and the principal works with the custodial staff to ensure a clean and safe school. Graffiti is removed as soon as it is discovered. District maintenance staff maintains landscaping on a regular weekly schedule. Corrective and preventative maintenance are scheduled on a routine basis to keep the school in good repair and working order. Work order requests assigned through a computerized work-order system ensure that emergency repairs are given the highest priority.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School <br> 2021-22 | School <br> 2022-23 | District <br> 2021-22 | District <br> 2022-23 | State <br> 2021-22 | State <br> 2022-23 |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Thompson is purposeful in partnering with families for authentic engagement and feedback regarding the academic opportunities, behavioral health supports, enrichment activities and connections within our schools. At the district level, opportunities for parent engagement abound! This includes open participation in several parent advisory groups (African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC), Special Education Parent Advisory Council (SEPAC), Career Technical and Education (CTE) Advisory Board, and Superintendent Advisory Councils. All district level parent advisory groups are held in a hybrid meeting format (in-person and virtual). This maximizes family/parent accessibility and participation. In addition to these district advisory groups, each school site implements in-person site specific opportunities for parent involvement. These opportunities include but are not limited to, School Site Council (SSC), PTA/PTSA/PTO, English Learner Advisory Councils (ELAC), and daily volunteer programs such as, Watch DOGs (Dads of Great Students), activity boosters, class and office volunteers and activity specific volunteer programs. At the middle school level, parents are encouraged to participate in as many on-site special events and schoolwide assemblies, performances, and open house's.

## 2023-24 School Safety Plan

School safety is a high priority at our school. Campus supervisors, administrators, and counselors are on campus daily to monitor the campus, supervise the students, and ensure a safe learning environment. Our mass communication system Parent Square is used to immediately call, email, text, and push alerts to all families in an emergency or urgent situation. Our school is assigned a sworn law enforcement officer who serves as the School Resource Officer (SRO). SROs support all safety matters from E-bike safety and facility safety to the investigation of any crimes or disciplinary matters that may occur on campus during the school day or after school hours. SROs also access and can monitor safety from surveillance cameras on site. Video surveillance cameras across our campus also serve as a deterrent to trespassers, vandalism, and other illegal activities. Our school last reviewed and updated our Comprehensive School Safety Plan (CSSP) in February of 2023, prior to the Board of Education adoption on March 9, 2023. The plan is presented to all staff and parents. Additionally, on October 12, 2022, Thompson staff attended an Active Shooter Training by District Staff where safety plans and emergency procedures were discussed. Throughout the school year, student assemblies and drills are held to address safety issues with students and staff. The school has an Emergency and Disaster Preparedness Plan which specifies procedures for dealing with fire, flood, earthquakes, lockdowns, hazardous materials, disaster recovery organization, and student accountability following a disaster, and it aligns with the federal NIMS emergency system. Fire drills, earthquake drills and dangerous intruder drills are held each semester. Additionally, In October of 2022 all school staff were trained on active shooter procedures by district personnel and a member of the SRO team.
Thompson is a closed campus that is fully fenced. Visitors must go through the school office for permission to be on campus. Every visitor must be scanned through our Raptor Visitor Management System. This system screens against California's Megan's Law database as well as all 50 states' sex offender databases every visitor and parent volunteers prior to entering campus.
During the school year trained canines and their handlers perform unannounced drug, alcohol, and weapon searches on school grounds.
The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

## 2023-24 School Safety Plan

At the time of this publication, several safety enhancements are in the beginning stages of implementation for the 23-24 school year: Expansion of Raptor as an emergency management system and an e-bike education course in partnership with Murrieta Police.

## Fiscal Year 2022-23 Types of Services Funded

Our district provides services and programs to meet the needs of our diverse student population and their families. We provide individualized core services such as robust academic options and enrichment activities to individual student growth assessments and services geared towards families such as before/after-school programming, athletic competitions, performing arts and mental health supports.
Each school is equipped with high quality teaching and administration staff and a support team comprised of a health technician, a school nurse, attendance clerk, aides, special education experts, nutrition services, and a mental health team including a psychologist who are available to meet with students and their families virtually and/or in-person. Additionally, our school has a full-time counselor focused on social-emotional management. Counselors teach guidance lessons; facilitate small groups on social skills, anger management, grief and loss, teamwork, conflict-resolution, and positive support strategies while in school. Each school also has a military liaison to support military connected family members.

## Professional Development

Murrieta Valley USD implements professional development opportunities for all employees year round. In the 2023-24 school year, a strategic goal of the district was 'Professional Growth' for all employees. To this end was a purposeful effort in expanding and enhancing certificated training related to Professional Learning Communities (PLC), Inclusion and MTSS strategies to maximize student success. Additionally, teachers also participate in monthly staff meetings with a training component, school community building, and robust communication at the school level. During the school year, teachers participate in two full professional development days. These days are a combination of site-based and district-developed training opportunities focused on current initiatives. In this school year, we also expanded our Classified Management leadership training sessions and site leadership training series on topics such as understanding student discipline, investigations, IEPs/504s and SSTs, school budgeting, safety procedures, and essentials for working in early childhood learning environments. New teachers continue to have the opportunity to clear their credentials through the district's Induction Program. This program takes them through a rigorous and reflective learning process with the support of an MVUSD mentor teacher. All teachers who are new to the district also receive training to learn about our key focus areas, as well as district expectations and procedures. Teachers receive training on new curriculum that is adopted for the grade level and/or subject area they teach.
This table displays the number of school days dedicated to staff development and continuous improvement.
