## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Vista Murrieta High School (VMHS) is a four-year comprehensive high school fully accredited by the Western Association of Schools and Colleges. Vista Murrieta is a California Distinguished School, MAX Preps Most Spirited High School in the Nation for two consecutive years, Varsity Brands America's Most Spirited School, and a CIF Champion School of Character. We offer an excellent and diverse academic program, award-winning student activities program, outstanding interscholastic athletic and performing arts programs as well as many other social and academic enrichment opportunities. Our school motto of CLASS (Character, Leadership, Attitude, Scholarship, and Service) is important to ensuring the success of all students and has guided our school community for past 20 years. This motto permeates classrooms, extracurricular activities, athletic competitions, and the interaction among students, staff, and community. We believe every student can and should be prepared to continue on to higher education and become a productive member of the community upon graduation. We expect this attitude of success from staff, students, and parents alike. Vista Murrieta offers 13 Dual Enrollment courses in the areas of English, Math, Social Science, Science, World Language, and Arts and Humanities. Students can complete a multitude of college credits with Dual Enrollment (in addition to credit via Advance Placement tests) by taking up to two courses per semester in their Junior and Senior year. We have increased the number of Advanced Placement courses and online courses as well since the advent of Dual Enrollment. We also have an Academic Seminar Program to support our incoming ninth grade students in a addition to subject-specific intervention classes in Math, English, Science, and Social Studies courses. Many more students take advantage of the VMHS "Bronctorials," which are Saturday tutorial sessions, and our after school tutoring provided in the library and science and math classrooms.

### Highlights & Accomplishments:

- CA Department of Education Gold Ribbon School.
- Awarded 'America's Most Spirited High School' for the third time.
- Our Student Leadership (ASB) won state recognition from CADA/CASL for our outstanding student activity program for 17th consecutive year.
- VMHS varsity athletics remains very competitive in the Southwestern League and continues its winning tradition.
- 37% of graduating seniors were recognized with a Golden State Diploma Seal of Merit for the superior performance in English, Math, Science U.S. History and two additional subjects.
- Band, Performing Arts and AFJROTC continue to receive national awards.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.50	0.80
Misassignments	0.00	1.90
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	<b>0.50</b>	<b>2.80</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	9.10	5.70
<b>Total Out-of-Field Teachers</b>	<b>9.10</b>	<b>5.70</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.6	2
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	2.8	2.4

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in MVUSD are aligned with the State of California's standards and curriculum frameworks, they are field tested with students, and reviewed by administrators, teachers, and parents before Board of Education adoption at a public meeting.

## School Facility Conditions and Planned Improvements

The Vista Murrieta campus consists of 68 acres overlooking Murrieta and the school opened in August 2003. All facilities are in excellent condition. There are more than 130 classrooms as well as computer and technology labs; a library; college/career center; state-of-the-art science facilities; a lecture hall; specialized classrooms for special education, ceramics, art, fashion, photography, and foods; a performing arts center that includes: band, choir, and drama classrooms, a multipurpose room with capacity for 335 and a theater with seating for 500; an ASB office; student store; workrooms for teachers; and offices for school administrators, staff, and the school nurse.

Athletic facilities include administrative offices; main and practice gymnasiums; an aquatics facility; an athletic stadium with an all-weather running surface; three competition baseball and softball diamonds; two full-size soccer fields; PE fields and courts; a weight room with state-of-the-art equipment; a fully equipped fitness lab and classrooms for health, wrestling, dance and aerobics. Other facilities include a fitness lab, kitchen facilities, and a staff lounge. We have a newly built Career and Technical Education building, which houses many of our CTE Pathway programs such as Engineering, Computer Programming, Audio/Tech, Sports Medicine, and Law Enforcement.

Daily and nightly cleaning by custodial staff ensures a clean school. Rest rooms are cleaned and monitored during the day by custodians and campus security, respectively, as to prevent vandalism. We document and remove graffiti as soon as it is discovered. Regular corrective and preventative maintenance is conducted on a routine basis to keep the school in good condition. Work order requests for facilities and technology are assigned through computerized systems to ensure that emergency repairs receive the highest priority. The district provides two full-time maintenance and technology persons on site who oversee maintenance and technology work order requests.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	38	41	41	43	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 Career Technical Education Programs

Vista Murrieta High School offers courses intended to help students prepare for entry level work positions as well as post-secondary preparation. Vista Murrieta High School offers College and Career Pathways in Arts, Media and Entertainment, Education, Child Development & Family Services, Engineering & Design, Health Science & Medical Technology, Hospitality, Tourism & Recreation, Information & Communication Technologies, and Public Service. These pathways connect students' learning with actual needs in our local, regional and nation's economy. The pathways allow students to take required coursework for graduation as well as to take coursework in career areas of interest. Classes, such as Audio Technology, Video Production, Photography, Engineering Design, Education, Food & Beverage Production, Law Enforcement, Computer Science and Cybersecurity courses give students employable skills sets. Additionally, CTE programs provide students 14 or older with free job training, high school credit, certificates of training, career planning, job search skills, and preparation for higher level training. Through a partnership with Mt. San Jacinto College, students who successfully complete approved high school CTE courses with a grade of B or better, qualify for college credit for the course after completion of 12 units with the college. Matriculation services are provided to students including online application and assessment process. We encourage students to take the Armed Services Vocational Aptitude Battery (ASVAB) to help them evaluate their strengths, skills, and interests as part of their post-high school planning. All students are enrolled in the California Colleges Guidance Initiative system; the program provides students with extensive career-related assessments and resources to explore the world of work in addition to including milestones at each grade level to help students stay on track to meet their college and career goals. Lastly, the district facilitates a CTE community advisory committee is comprised of 40 members from local industry and civic organizations such as the City of Murrieta Economic Development Leadership, Murrieta/Wildomar Chamber of Commerce, Southwest Healthcare, local representatives from the finance and manufacturing sectors. Additionally, the Superintendent started a CTE Superintendent's Advisory Council where parents, community members and local businesses are encouraged to attend.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Vista Murrieta is purposeful in partnering with families for authentic engagement and feedback regarding the academic opportunities, behavioral health supports, enrichment activities and connections within our schools. At the district level, opportunities for parent engagement abound! This includes open participation in several parent advisory groups (African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC), Special Education Parent Advisory Council (SEPAC), Career Technical and Education (CTE) Advisory Board, and Superintendent Advisory Councils. All district level parent advisory groups are held in a hybrid meeting format (in-person and virtual). This maximizes family/parent accessibility and participation. In addition to these district advisory groups, our school site implements in-person site specific opportunities for parent involvement. These opportunities include but are not limited to, AAPAC, LPAC, School Site Council (SSC), PTSA, family culture nights, grade level information nights (Senior parent night, Dual Enrollment Parent Night), English Learner Advisory Councils (ELAC), and daily volunteer programs such as activity and athletics programs, special event chaperones and parent booster clubs for all extra-curricular and athletic programs.

## 2023-24 School Safety Plan

School safety is a high priority at our school. Campus supervisors, administrators, and counselors are on campus daily to monitor the campus, supervise the students, and ensure a safe learning environment. Our mass communication system Parent Square is used to immediately call, email, text, and push alerts to all families in an emergency or urgent situation. Our school is assigned a sworn law enforcement officer who serves as the School Resource Officer (SRO). SROs support all safety matters from E-bike safety and facility safety to the investigation of any crimes or disciplinary matters that may occur on campus during the school day or after school hours. SROs also access and can monitor safety from surveillance cameras on site. Video surveillance cameras across our campus also serve as a deterrent to trespassers, vandalism, and other illegal activities. During the school year trained canines and their handlers perform unannounced drug, alcohol, and weapon searches on school grounds.

Our school last reviewed and updated our Comprehensive School Safety Plan (CSSP) in February of 2023, prior to the Board of Education adoption on March 9, 2023. The plan is presented to all staff and parents. Additionally, on August 24, 2022, Murrieta Valley staff attended an Active Shooter Training by District Staff and the SRO where safety plans and emergency procedures were discussed. Throughout the school year, student assemblies and drills are held to address safety issues with students and staff. The school has an Emergency and Disaster Preparedness Plan which specifies procedures for dealing with fire, flood, earthquakes, lockdowns, hazardous materials, disaster recovery organization, and student accountability following a disaster, and it aligns with the federal NIMS emergency system. Fire drills, earthquake drills and dangerous intruder drills are held each semester.

Murrieta Valley HS is a closed campus that is fully fenced. Visitors must go through the school office for permission to be on campus. Every visitor must be scanned through our Raptor Visitor Management System. This system screens against California's Megan's Law database as well as all 50 states' sex offender databases every visitor and parent volunteers prior to entering campus. The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation. At the time of this publication, several safety enhancements

## 2023-24 School Safety Plan

are in the beginning stages of implementation for the 23-24 school year: Expansion of Raptor as an emergency management system and an e-bike education course in partnership with Murrieta Police.

## Fiscal Year 2022-23 Types of Services Funded

Our district provides services and programs to meet the needs of our diverse student population and their families. We provide individualized core services such as robust academic options and enrichment activities to individual student growth assessments and services geared towards families such as office hours, athletic competitions, performing arts and mental health supports. Each school is equipped with high quality teaching and administration staff and a support team comprised of a health technician, a school nurse, attendance clerk, aides, special education experts, nutrition services, and a mental health team including a psychologist who are available to meet with students and their families virtually and/or in-person. Additionally, our school has full-time counselors focused on academic and social-emotional management as well as positioning students for life after high school whether it be college, trade, apprenticeships, or military service.

## Professional Development

Murrieta Valley USD implements professional development opportunities for all employees year round. In the 2023-24 school year, a strategic goal of the district was 'Professional Growth' for all employees. To this end was a purposeful effort in expanding and enhancing certificated training related to Professional Learning Communities (PLC), Inclusion and MTSS strategies to maximize student success. Additionally, teachers also participate in monthly staff meetings with a training component, school community building, and robust communication at the school level. During the school year, teachers participate in two full professional development days. These days are a combination of site-based and district-developed training opportunities focused on current initiatives. In this school year, we also expanded our Classified Management leadership training sessions and site leadership training series on topics such as understanding student discipline, investigations, IEPs/504s and SSTs, school budgeting, safety procedures, and essentials for working in early childhood learning environments. New teachers continue to have the opportunity to clear their credentials through the district's Induction Program. This program takes them through a rigorous and reflective learning process with the support of an MVUSD mentor teacher. All teachers who are new to the district also receive training to learn about our key focus areas, as well as district expectations and procedures. Teachers receive training on new curriculum that is adopted for the grade level and/or subject area they teach.

This table displays the number of school days dedicated to staff development and continuous improvement.
