**APPLICATIONS
OPEN OCT. 1!**

Gosch Ford Temecula is in search of Temecula and Murrieta seniors who are looking to pursue continued education beyond high school. We will be rewarding fifty \$1,000 scholarships to the next generation of professionals in our community.

Entrants must first create a video explaining why you feel you should be awarded a \$1,000 scholarship from GOSch Ford Temecula and upload it to a video sharing platform (ex: YouTube or Vimeo). Then each student must enter online at <https://goschfordeducationfirst.com/local-scholarship-awards/> before March 31, 2023 to be in consideration for one of the scholarships. Only one application per student will be accepted, duplicate applications will be discarded.

After March 31, 2023, a panel of community judges will review all submissions and will choose the fifty (50) winners based on a variety of categories. The winners will be notified in May and provided with instructions on claiming their scholarship.
