March 13, 2020

Dear Murrieta Valley Community,

District administration continues to be in regular communication with Riverside University Health Systems-Public Health (RUHS-PH), as well as federal and state agencies, related to the rapidly changing COVID-19 novel coronavirus situation our state and nation is facing. These are uncharted waters and we appreciate your patience and understanding.

Effective Monday, March 16, we will close all Murrieta Valley Unified School District schools and programs until further notice. This includes preschool, and SEED programming. The soonest schools may resume would be Monday, April 6th.

While our school facilities will be closed, plans are being developed for students to continue to learn through a distance learning program. Please know, communications regarding distance learning will be forthcoming.

This is a difficult decision, but necessary, as our nation tries to slow the spread of the virus.

Thank you for your patience and trust as we work together to maintain some sense of normalcy in these difficult times.

We will continue to do our best to keep you informed. Facts and circumstances may change quickly so we encourage you to regularly check our website www.murrieta.k12.ca.us or call the following parent phone center at (951) 304-1795 which will be available during regular business hours. You can also email questions to mvusdinfo@mvusd.org

Families, thank you for your partnership during this world-wide concern. Our main goals are to focus on student learning and health while keeping you informed.

Sincerely,

Murrieta Valley Unified School District Administrative Team

2018 California Exemplary District
