ANCHOR TEXT | SHORT STORY

Background Author Standards

09:00 16:38 Speed

1 In the living room the voice-clock sang, *Tick-tock, seven o'clock, time to get up, time to get up, seven o'clock!* as if it were afraid nobody would. The morning house lay empty. The clock ticked on, repeating and repeating its sounds into the emptiness. *Seven-nine, breakfast time, seven-nine!*

2 In the kitchen the breakfast stove gave a hissing sigh and ejected from its warm interior eight pieces of perfectly browned toast, eight eggs sunnyside up, sixteen slices of bacon,

Centralized Enrollment

- Completed Summer Registrations
 - 329 (Double our monthly rate)
- Inter-district Transfers
 - 2,166
- Current Projected Enrollment
 - 23,268

2020-21 School Year Calendar

PROPOSED CHANGE to FIRST WEEK OF SCHOOL

- August 10th – August 12th Professional Development
 - ✓ Health and Safety Site Procedures
 - ✓ Learning Models and Expectations
 - ✓ Equity
 - ✓ Canvas
- August 13th – Staff Preparation Day
- August 14th – First Day for Students

1st Day of School for Students

2020-21 Learning Models

TRADITIONAL

BLENDED

VIRTUAL

Models are delivered based on current State and County public health conditions. These may change based upon any NEW public health mandates or orders given to schools after 7/17. We must be prepared for all three models and remain nimble!

Virtual Model Details

Elementary & Secondary Instruction

Learning Schedule

❖ *Elementary*

- ✓ Daily Structured Academics/Live Instruction from 8 am – 12 pm
- ✓ Daily Intervention/Extension Activities in the afternoon

❖ *Secondary*

- ✓ Mon-Fri based on Student Schedule

Learning Activities

- ❖ Daily meeting or check-in with teacher
- ❖ Live interaction with teacher and peers, small group sessions, progress monitoring, and maintaining school connectedness using Microsoft Teams & Canvas
- ❖ Screencasts and videos to deliver pre-recorded instruction (allows flexibility for families)
- ❖ Independent work including online programs, project-based learning, inquiry and application of skills

Virtual Model

Virtual instruction is NOT distance enrichment that took place in the Spring.

- Daily *attendance required*
- *Graded* learning and assessments
- Emphasis on *live instruction* and teacher-student connection
- *In-person individualized* instruction, services, and assessments
- *Office hours* availability (in-person or virtual)
- **NEW** Learning Management System - *Canvas*
- *Device* and *connectivity required*
- Student and *family training* provided
- Signed *parent agreement*
- Based on enrollment, students may be assigned to a teacher at a different school

Students with Disabilities

All grade levels

- ✓ *IEPs will address learning models and progress will be monitored*
- ✓ *Class schedules will mirror general education with exceptions applied to special cases*
- ✓ *Related services will be provided virtually and in-person*
- ✓ *Creative solutions for inclusive, instructional aide, and other specialized supports*
- ✓ *Access to assistive technology*
- ✓ *Training for families to support student learning*

Blended Model

Logistics for all grade levels

Elementary Instruction

- Students on-site 2 days
- (Tues/Thurs or Wed/Fri)
- Learning from home 3 days per week
- Class size will be $\frac{1}{2}$ of traditional class size
- On campus days will dismiss early (lunch at home)

Secondary Instruction

- Combination of classes on campus and others virtually*
 - On campus class sizes will be traditional
 - Number of on campus classes will determine length of school day*
- *Based on course selections

Blended Model

Elementary & Secondary Instruction

- Daily *attendance required*
- *Graded* learning and assessments
- Emphasis on *live instruction* and teacher-student connection
- *In-person individualized* instruction, services, and assessments
- *Office hours* availability (in-person or virtual)
- **NEW** Learning Management System - *Canvas*
- *Device* and *connectivity required*
- Student and *family training* provided
- Signed *parent agreement*
- Based on enrollment, students may be assigned to a teacher at a different school

Traditional Model

Elementary & Secondary Instruction

- 5 days per week for a full day of in-person instruction
- Traditional class sizes
- School schedules remain the same
- Traditional grading and progress reporting
- Individual use of supplies and materials
- NEW Learning Management System - Canvas
- Outside visitors and parent volunteer opportunities will be limited.

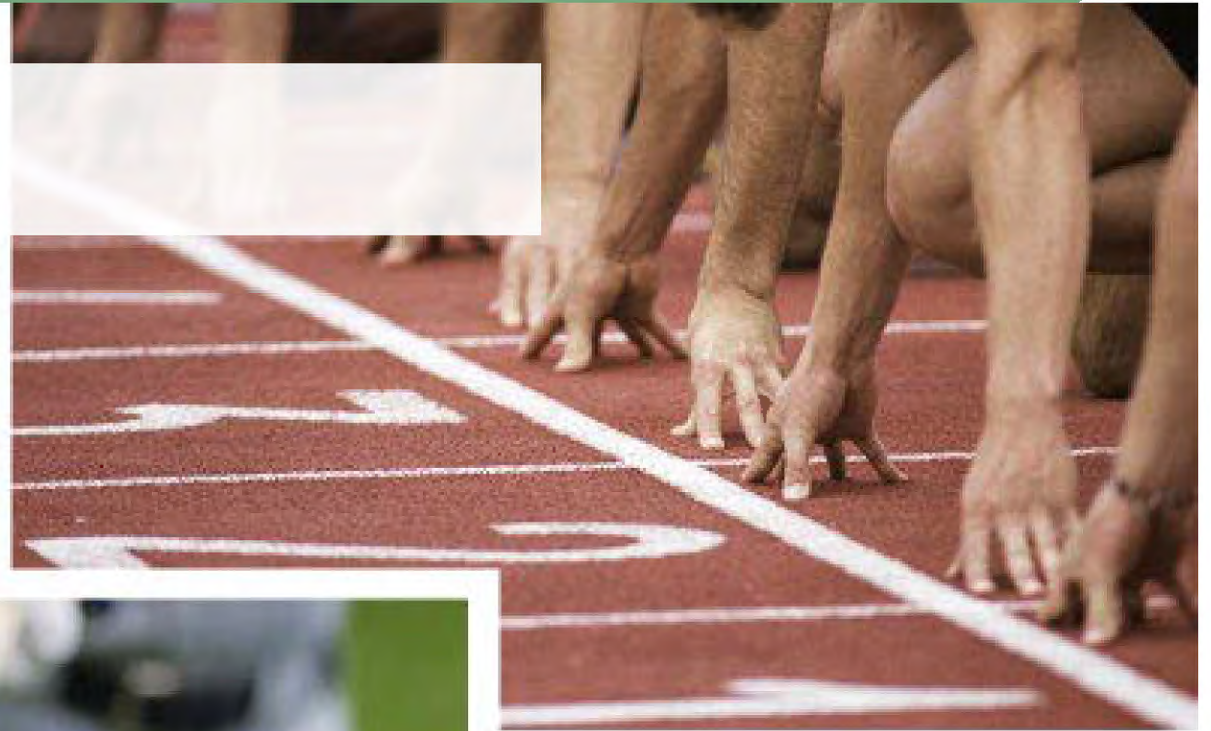

Health & Safety Modifications

*Specific information on
measures undertaken in
preparation for reopening of
schools to follow towards
the end of the
presentation under
Business & Operations*

Athletics

At this time, all Sports in the CIF Southern Section have been suspended until further notice.

On July 20th, CIF will announce 2020-21 athletic calendar.

Performing Arts

Competitions and performances have been cancelled or postponed until further notice.

Co-Curriculars

- ✓ All co-curriculars and athletics must adhere to CDPH, CDE and CIF.
- ✓ Field Trips are not permitted at this time. Teams may consider virtual field trips.
- ✓ Large gatherings are not permitted at this time due to public health restriction. For example, assemblies, dances and rallies.
- ✓ Specialized elective courses will continue to be offered (i.e., performing arts, band, choir etc...)
- ✓ Elementary visual and performing arts programs will continue to be offered.
 - Method of delivery is subject to change based on CDPH.

REGISTRATION NEXT STEPS

1. Blended and Virtual Registration opens July 20
2. Aeries Parent Portal opens July 27th
3. School Site Orientations
4. Student First Day of School is August 14th

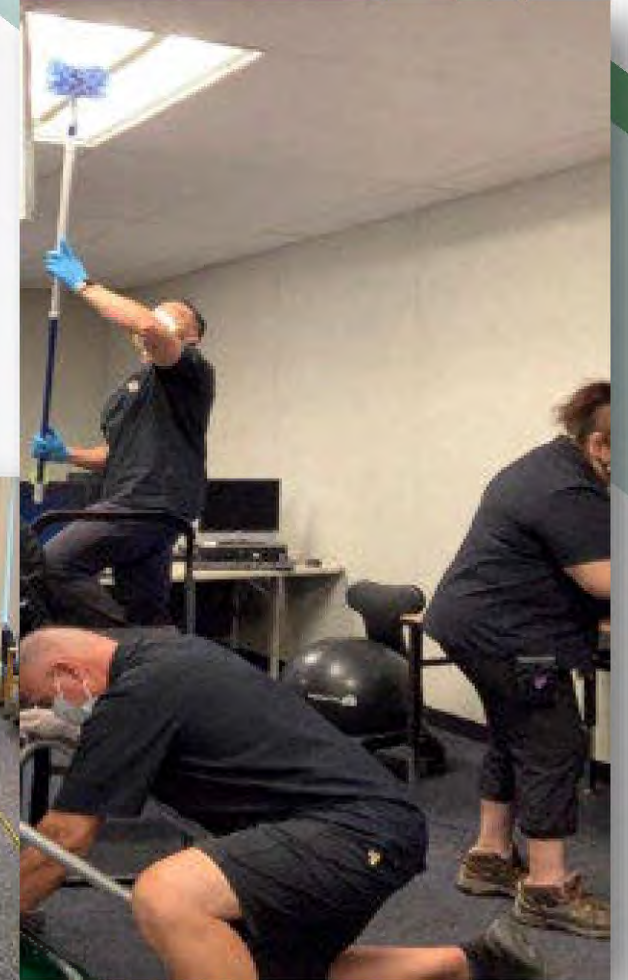

Business and Operations

Reopening 2020-21 Update

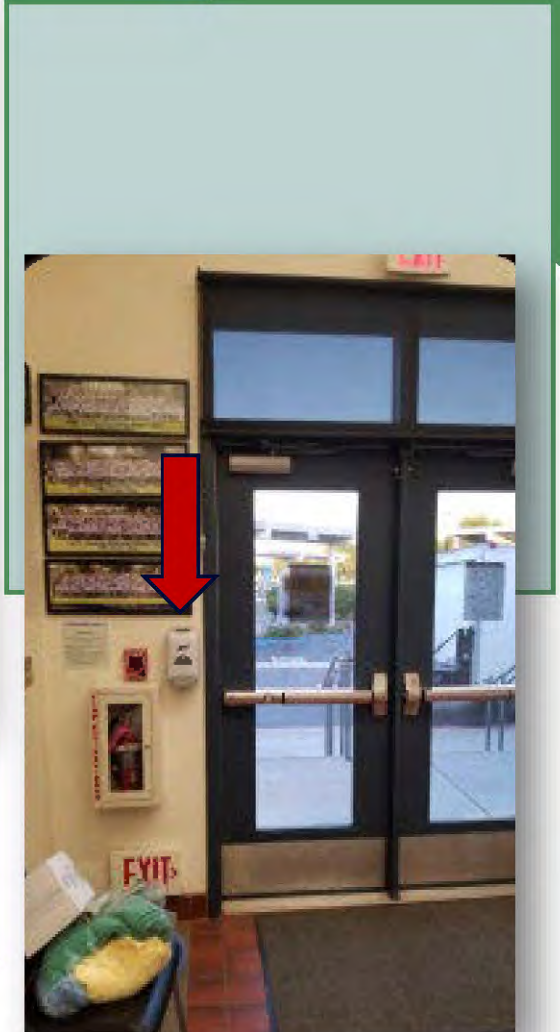

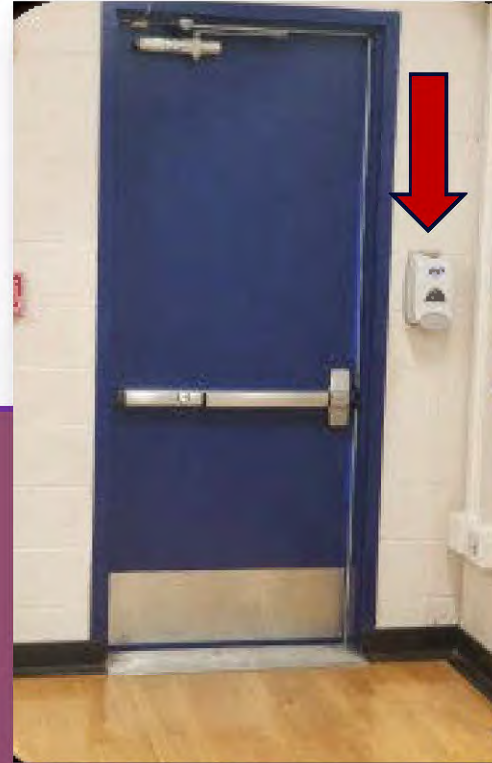

Cleaning & Disinfecting

- ▲ Thorough and detailed deep cleaning & disinfecting of every part of all schools prior to students returning
- ▲ Nightly enhanced cleaning & disinfecting at all schools including all desks and high touch surfaces
- ▲ Cleaning & disinfecting of frequently touched surfaces during the day
- ▲ Installation of hundreds of additional hand sanitizers throughout all schools including all classrooms & high traffic areas
- ▲ Placement of portable hand wash stations at all schools

Hand Sanitizer Installs

At all Schools-Placed in classrooms, offices, hallways, entry points & exits, high traffic areas

Portable Hand Washing Stations

- ✓ Placed throughout school sites.
- ✓ Supplemental to fixed bathroom & sinks
- ✓ Operated by feet, no need to touch with hands.

HVAC/Air Conditioning

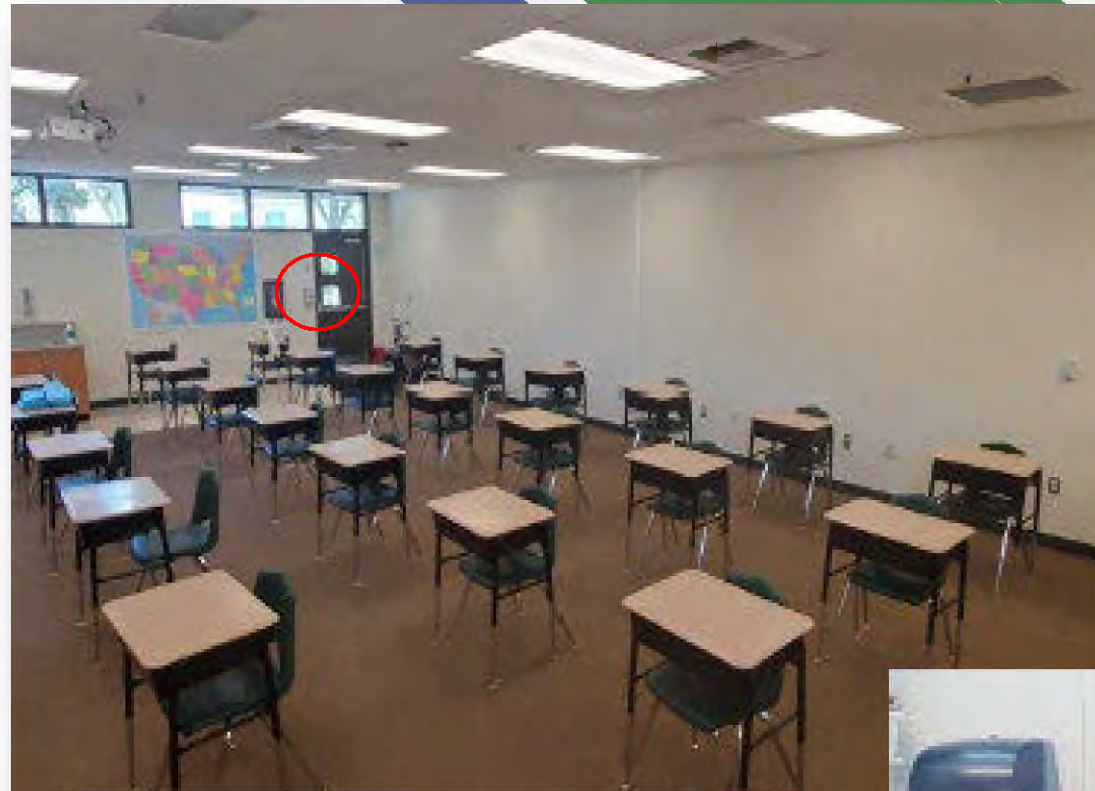

- ✓ All HVAC systems checked, cleaned, maintained and all filters changed
- ✓ Reviewed recommendations from the National Air Filtration Association
- ✓ All HVAC systems will have fresh, uncirculated air into classrooms based on industry recommendations from the American Society of Heating, Refrigeration and Air Conditioning (ASHRAE)

Classroom Changes

Sample Secondary Class

- Removal of furniture to allow more space to physically distance students
- Set up of student desks to be as physically distanced as possible
- Hand sanitizer in all classrooms
- Protective shields at the teacher's desk
- Masks available in classrooms
- Disinfectant in all classrooms for high touch areas
- Special disinfectant in all classrooms that is safe for electronics and computers

Teacher Desk Protective Barrier

PPE for teachers, staff and students

Per CA Statewide mandate, face coverings are currently required in public spaces. This may change as conditions change.

3,000
Washable Cloth
Face Coverings

**100K Adult plus
100K Children**
Disposable
Paper Face Coverings

3,000
Plastic Face Shields

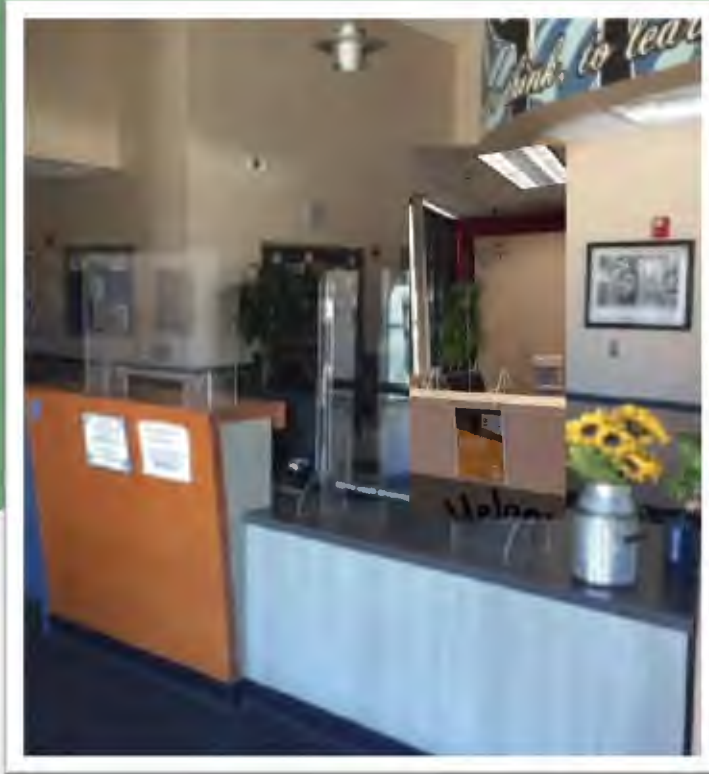

Gloves

PLEXI-PROTECTIVE SHIELDS

For School Offices, and High Traffic Area

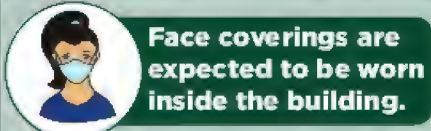

- 300 installed in offices
- 1,000 installed in classrooms

Signage For School Offices, Classrooms, Hallways and open spaces

WELCOME

CDPH AND HEALTH ORDERS ARE SUBJECT TO CHANGE AND PRACTICES LISTED BELOW MAY BE AFFECTED.

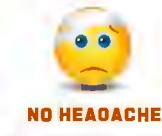

THANK YOU!

WELLNESS CHECK-IN

READY TO LEARN!

NOT READY TO LEARN...

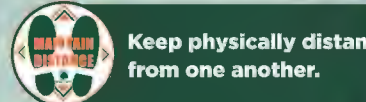

WELCOME

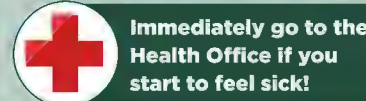

Your health is important to us, please follow these rules to stay healthy!

Keep your hands to yourself.

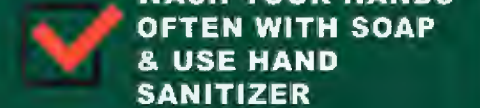

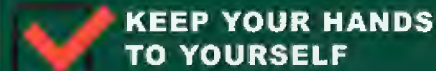

Face coverings help stop the spread of germs.

WELCOME

YOUR HEALTH IS IMPORTANT TO US. PLEASE FOLLOW THESE RULES TO STAY HEALTHY!

- ✓ Age Appropriate
- ✓ Health & Safety focused
- ✓ Directional Indicators
- ✓ Advisory in nature

Technology

Over 3,000 new devices:

Ordered

Delivered

Ready to go

for virtual or other
on-site school needs

Technology

- ✓ Major expansion of outdoor wireless access points in anticipation of increased use of outdoor spaces
- ✓ Installed a new Bell & Paging system at 17 school sites—
 - ✓ New system offers significantly improved messaging capacities, dynamic control of scheduling, per class zones, and many other communication tools including ability to play ***regularly pre-recorded messages on handwashing and safety***

Nutrition Services

Elementary lunch by class; Class picture will display on point of sale screen allowing staff to simply select students' picture for payment.

Secondary students can scan their student ID card for meal payment

Scanners purchased for all points of sale; meal process will be no contact from start to finish

Outside service options for secondary schools will be maximized

All meals will be pre-packaged and individually wrapped

Nutrition Services

- ✓ Social distancing signage and floor adhesives will be used in service areas
- ✓ Window services will be limited to every other window to allow distance between lines
- ✓ No self-service stations such as salad bars, condiments and share baskets.
- ✓ All personnel will wear PPE during food prep and service
- ✓ Hand sanitizers will be available in all service areas
- ✓ Enhanced cleaning/sanitizing measures will be implemented in lunch areas
- ✓ Foods will all be served packaged & pre-packaged
- ✓ Points of sale will be contact free for students
- ✓ Elementary students will receive a backpack tag to use for breakfast or to go meal pick up.

Transportation

- ✓ Limiting amount of students per seat.
- ✓ Sanitizing buses after each route. Additional time built into the schedule to ensure sanitation during the day.
- ✓ Installing hand sanitizers & encouraging use while entering and exiting the bus
- ✓ Providing PPE including masks and shields for bus riders and staff
- ✓ Signage to remind about safety, distance and best practices
- ✓ Additional staff to cover larger bus stops
- ✓ Pre-registration for Transportation riders

Outside Safety Expert Review

Review of Classroom layouts and design plans

“The efforts being made by Murrieta Valley USD to welcome back staff and students to their respective campuses in a safe manner should be applauded. From the paging system, to sanitation stations, proposed desk wipe downs, classroom layouts, and everything in-between to be within the health guidelines being set forth for the reopening of schools – there’s a lot of attention to detail that may not be initially seen from the casual observer.”

Joe Chacon, CPSI

Thank you

For your support and leadership
