

Home-Based/ Independent Study Options Grades 6-8 Learn @Home

Parent-Led Instruction, Homeschooling (Teacher Supported)

- Parent is the primary instructor and uses the district-provided curriculum, same as in-seat students in a traditional program.
- Opportunities for daily live interaction (virtual or digital check-in with a staff member)
- Weekly synchronous instruction with supervising teacher (Partner Teacher)
- Parent/Student/Partner Teacher meeting to review Student Learning Plan (at least once every three weeks)

Student-Driven, Digital Based Courses

- Student is responsible for completing the assigned work using the district adopted computer-based programs in each assigned course area. Recommended for students who are self-motivated, organized, and that require minimal supervision.
- Opportunities for daily live interaction (virtual or digital check-in with a staff member)
- Weekly synchronous instruction with supervising teacher (Partner Teacher)
- Parent/Student/Partner Teacher meeting to review Student Learning Plan (at least once every three weeks)

Additional Key Points

- Both programs offer opportunities for co-enrollment at the student's resident site (up to two courses).
- Students may access a blend of the two programs with our "Flex" option.
- All technology, curriculum, and basic school supplies provided by MVUSD.
- Must sign a Master Agreement prior to beginning program.
- Students may enroll back at their home site upon parent request.
- Opportunities to support students depending on need.
- For students with IEPs, will need to hold an IEP to determine best program option.
