

Backpacks

- A good sized backpack without wheels.
- The backpack is to be emptied daily - just carry a snack or mid-day meal, homework folder and notes/forms to the teacher.
- No personal supplies, no notebooks, no toys are to be in the backpack. A folder is okay to slide papers in if you don't like them wrinkled.
- If your child is to bring a note or requested items from home to school, please have your child place the note or item in the backpack for you. It will help him/her to remember to give it to me.
