

Bono the Monkey

at School

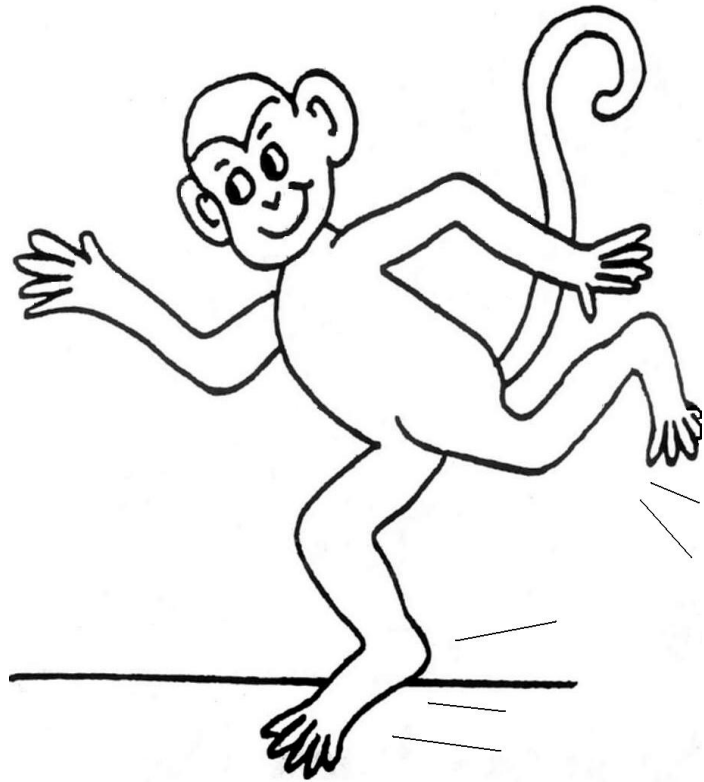

Bono the monkey
went to school.

But he didn't
know the rules.

He ran in the
classroom.

No, no Bono!

Walk slowly.

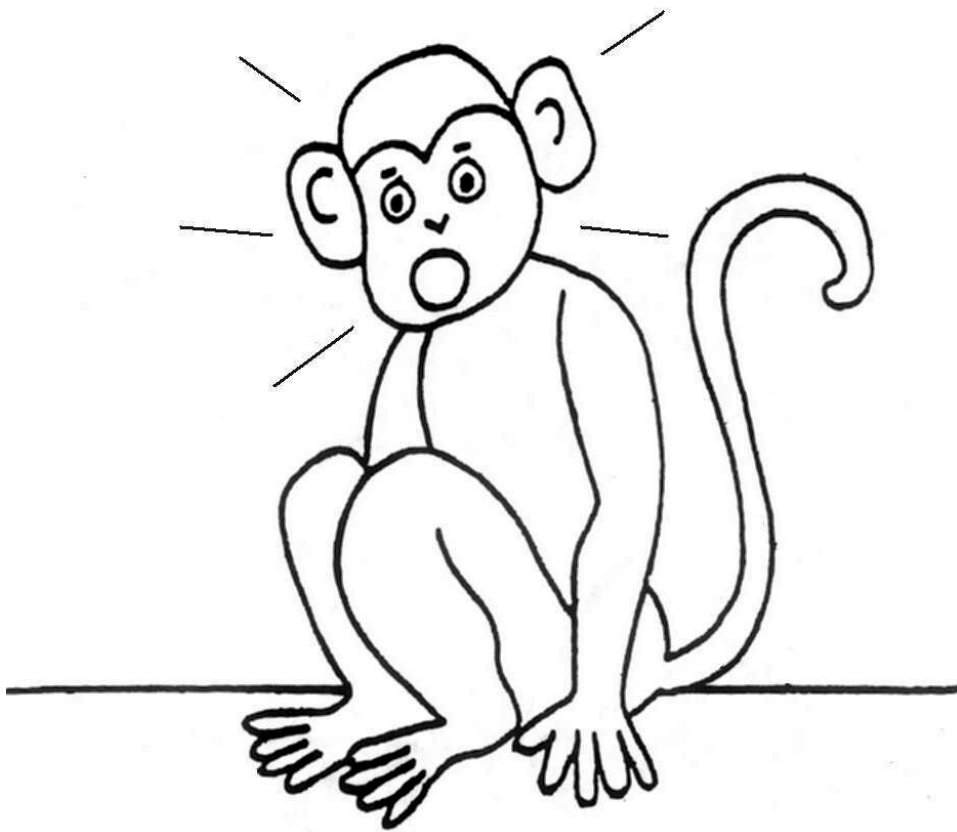

He hung from
the lights!

No, no Bono!

Stay in your seat.

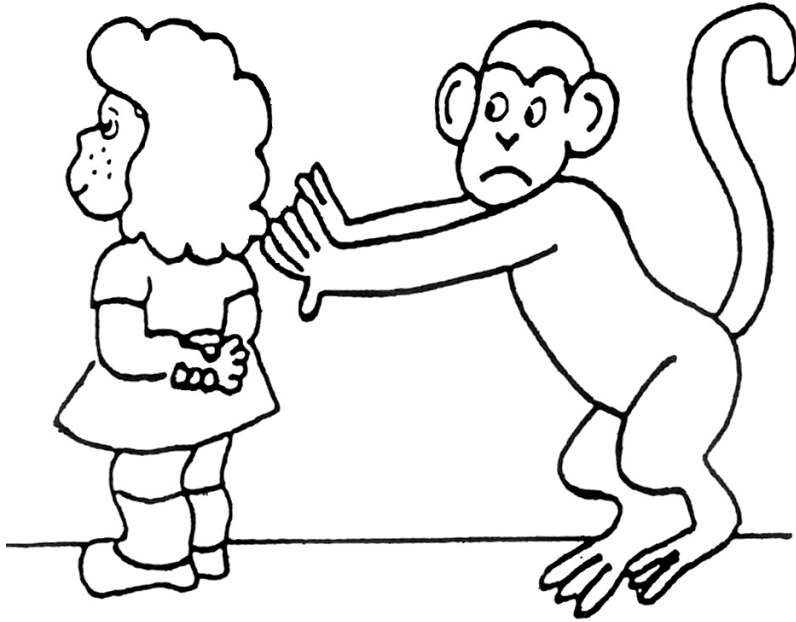

He talked and
yelled all the time.

No, no Bono!

Raise your
hand if you
want to talk.

No, no Bono!

He pushed
a little girl.

Be nice!

He grabbed all
the toys.

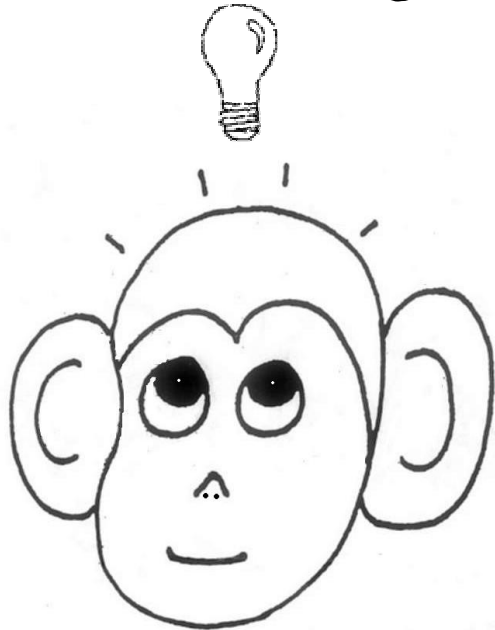

No, no Bono!

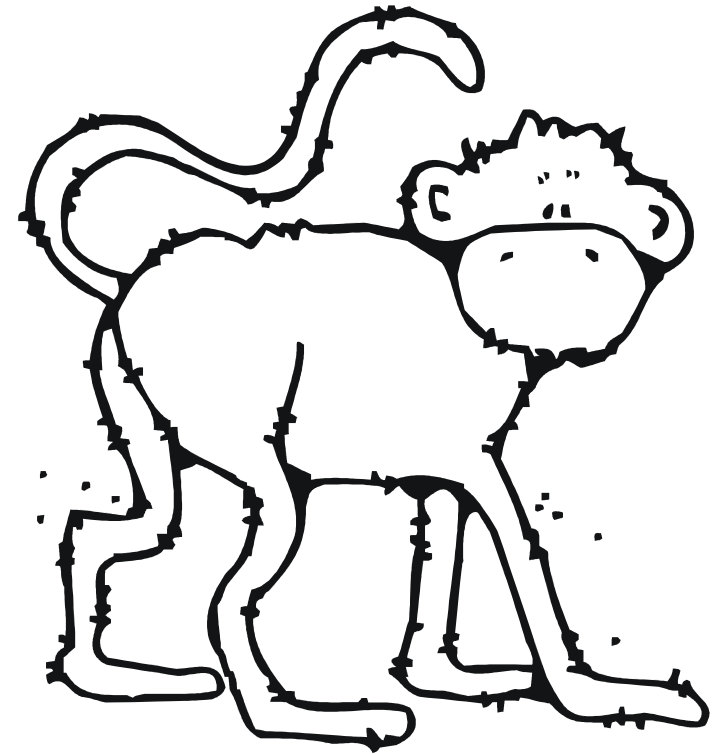

You must share
the toys with
the others.

Bono was smart.

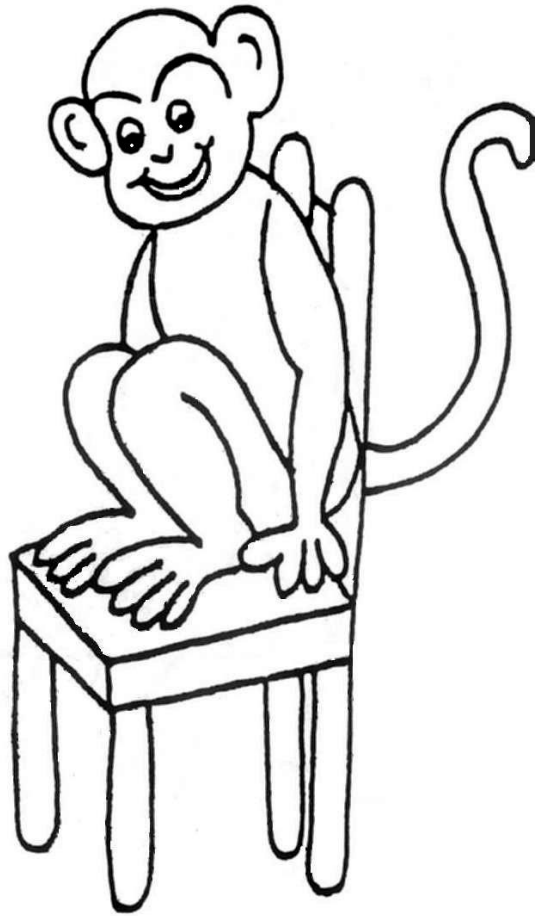

He thought
and thought.

Then...

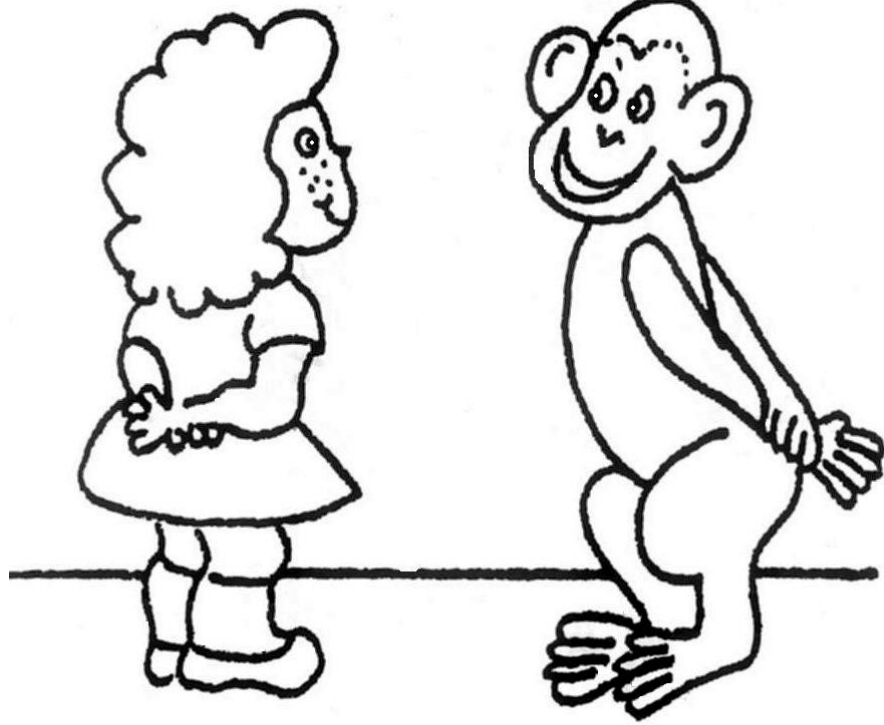

He walked
slowly.

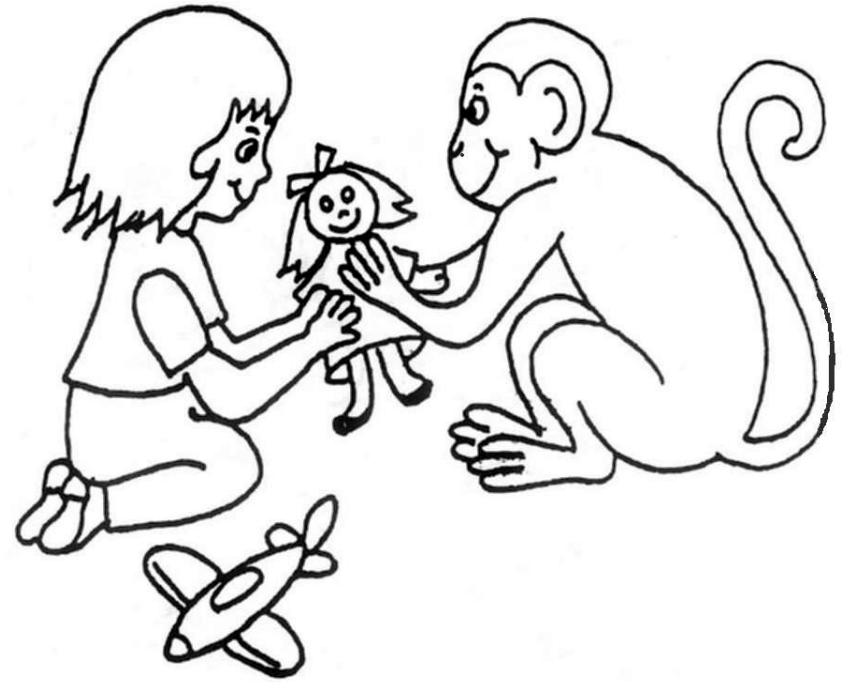

He stayed
in his seat.

He raised his
hand to talk.

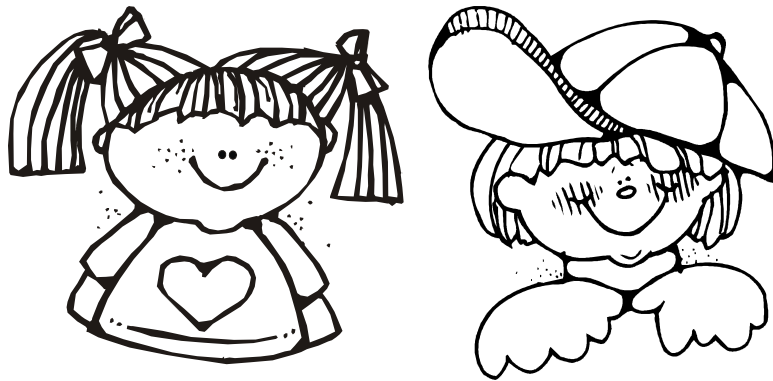

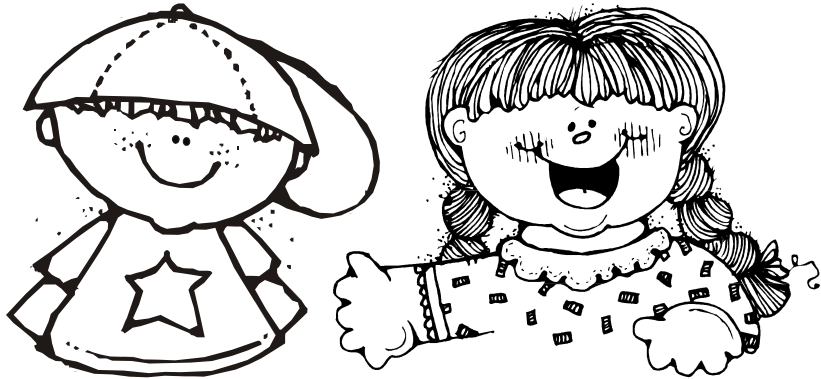

He was nice.

He shared
the toys with
the others.

Yes, yes Bono!

You are
behaving nicely.

And the teacher
gave him a big

gold star!
