

# Restroom Rules

- The restroom is located in our classroom.
- Children are to be able to facilitate the restroom themselves. Please send them in clothing that they can easily manipulate.
- They must be able to manage the sink and dryer on their own.
- They are allowed to use the restroom at their convenience.
- They must tell us if they need to use the restroom so we can manage and be sure that only one child at a time is using the facility.
