

HOMWORK CLUB APPLICATION

The Homework Club is a program run by Shivela Middle School's Peer Tutors. Peer Tutors are middle school students who volunteer their time and effort to assist their peers in achieving academic success.

The Homework Club is offered after school from 3:15 – 4:00 p.m. on Tuesdays and Thursdays in room 611. We are able to accommodate 20 students. If we are at capacity, we will place students on a wait list and notify them when space becomes available.

Attendance will be taken each day. Students will be exited from the Homework Club if they do not show up on a regular basis, do not follow school rules, and are overall not taking advantage of homework help.

Before your student starts the program, an advisor will meet with them to discuss their start date and/or wait list status.

Please circle the day(s) you are committed to attending the Homework Club.
