

To Inspire every student to Live the Panther LIFE

This is an unprecedented and very difficult time for us all. Our hope for you and your family is that you give yourself grace and patience. We do not have all of the answers, but remember that we are all in this together! No one could've prepared for a journey like this, so do not feel shame for allowing extra screen time, guilt for unhealthy snacks, or stress about following strict schedules and deadlines. Most importantly, we want you to take care of your health!
