Cell Phone/Electronic Device Policy

The district recognizes that many families desire their students to carry cell phones and smart watches for reasons of safety and emergency use. The district supports and allows possession of cell phones for those reasons. Although board policy allows possession of cell phones, it also gives the authority to school administration to restrict the use of phones. Therefore, to protect the health, well-being, and education of all on campus, we will be instituting the following policy regarding cell phones for the 2023-2024 school year.

- Phones must be turned off and put away (in backpacks or storage, not in pockets) while on campus.
- Phones must not be used during the school day including instructional (class) time (unless during a teacher directed lesson), break, and lunch. Phones must be turned off and put away while on campus.
- Smart Watches are not permitted on campus.
- The use of any camera on campus is prohibited, unless part of a class assignment or approved school activity, without the advanced permission of the principal. This includes the use of cell phones for the purpose of taking or transmitting photos or videos.
- Phones can be turned on after dismissal when students have exited campus.
- Electronic games are not allowed on campus (with the exception of use in E-Sports).
- AirPods/Earbuds/Beats/Headphones are not permitted on campus (unless during a teacher directed lesson).
- Students will have access to school phones if needed.
- Parents may leave messages for students at the front office.
- No student shall be prohibited from possessing or using a cell phone that is determined by a licensed physician or surgeon to be essential for the student's health and the use of which is limited to health related purposes. The school administration may require proper documentation in order to authorize such use.

Failure to comply with the above may result in confiscation of the device and further school discipline. Phones will be returned to a parent. Thank you for helping us keep our campus safe.

Consequences:

<u>First Offense:</u> Warning. Student will be escorted to Student Services where the device will be safely secured. The student may pick up the device at the end of the day.

Second Offense: Student will be escorted to Student Services where the device will be safely secured. The parent must come in to pick up the device at the end of the day from the main office receptionist. **Third Offense:** Student will be escorted to Student Services where the device will be safely secured. The parent must come in to pick up the device at the end of the day from the main office receptionist. The student will be issued a detention.

<u>Fourth Offense and beyond:</u> Student will be escorted to Student Services where the device will be safely secured. The parent must come in to pick up the device at the end of the day from the main office receptionist. The student will receive progressive discipline, which may include: multiple days of detention, Saturday School, and/or placement on the no go list.
