House System

Here at Thompson Middle School, each student and staff member is a part of the house system. Students and staff find an immediate community and connection to our campus culture in being a part of a group. Students will spin for their house at the beginning of their journey at Thompson and will remain in their house for the duration of their time as a Timberwolf.

Each year the houses will compete for the “house cup.” Students can earn house points for participation in dress up days, events, intramurals, and demonstration of P.R.I.D.E. on campus. Throughout the year students will be rewarded for the points they have earned.

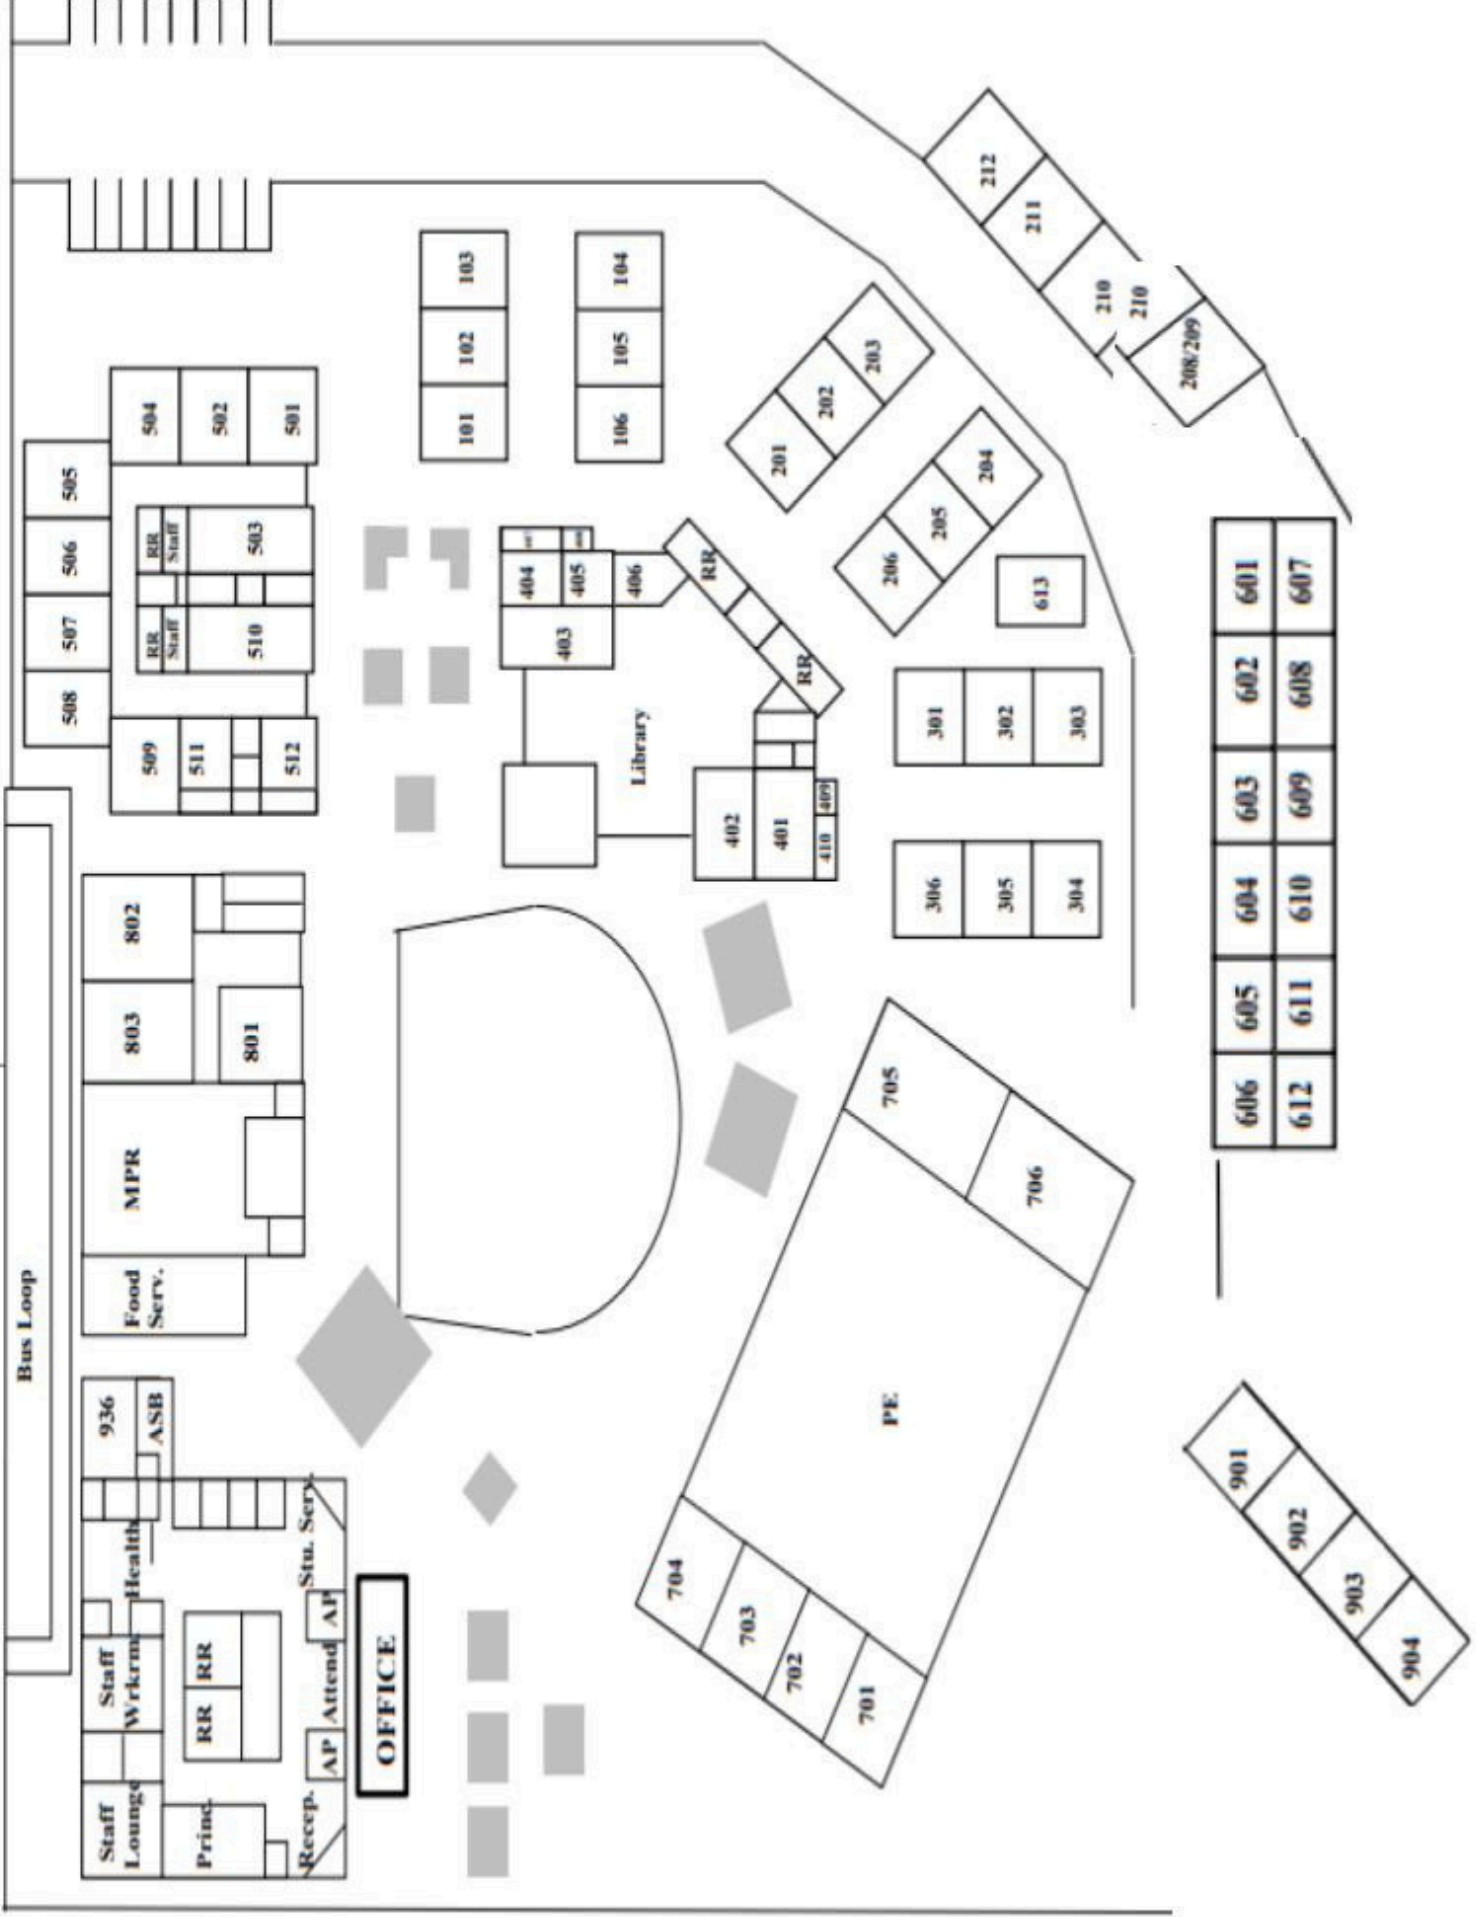

Visit student services to spin for your house if you have not yet! Let the competition begin!
