

WARM SPRINGS MIDDLE SCHOOL

Inspiring every student to think, to learn, to achieve, and to care with P.R.I.D.E.

Hello Wildcat Families,

Spring time is just around the corner. Progress reports will be viewable on Friday, March 27th.

WSMS Annual Open House will be held on Tuesday, March 24th from 5:30-7:30. We will be showcasing all the wonderful clubs and teams on campus as well as offering all incoming current 5th graders a chance to come see what WSMS is all about. Detailed information will be sent to all families via phone, text and e-mail over the next few weeks.

This month we invite you to come and support our fine arts program and drama club. Tickets for “Frozen” go on sale Wednesday, March 4th, performance dates are the 19th, 20th, and 21st of March. All performances will be held in our MPR and curtains open at 7:00 ☺.

The next few months have various holidays, so please make sure to keep your calendars up to date. Always check the marquee and listen to the voice and text messages,

Please remember we only have **one week** of Spring Break. (March 30th - April 3rd, students return on April 6th).

Testing will begin in April and we want to make sure attendance matters. Our goal is to minimize the amount of tardies, period absences as well as full day absences by 50% for the months of March and April. Please help us make sure the students are at school on time and stay healthy as we gear up for the CAASPP tests.

Go Wildcats and Go Big Blue!

TARDY POLICY

It is important that students be at school and in class on time. Arriving late to class creates a disruption to the learning environment. Habitual tardiness will receive a consequence as follows;

- Tardy 1-3 - student will be warned and parent will be contacted.
- Tardy 4 or more - will receive a lunch detention and parent contact/meeting
- Eighth grade students may lose the privilege of participating in the end of the year activities if they receive ten (10) cumulative tardies during the school year.

MESSAGES & DELIVERIES

Please make travel, lunch, clothing and other arrangements with your student before he/she arrives at school as these items are no longer accepted at the front office. While we join with you in the celebration of special occasions, bouquets of flowers, balloons or other gifts should be delivered elsewhere and will not be accepted at the front office. Calling into or delivering messages and non-emergency items to classrooms is disruptive to the learning environment and students should be responsible for remembering their own work, lunches, clothing, instruments and sports equipment or other necessities; therefore, we no longer deliver any items to classrooms. We appreciate your assistance in helping us to reserve this function for true emergencies.

YOUR OPINION COUNTS!

Our school is asking for feedback from parents, and students (grades 6-12) regarding strengths and weaknesses. This feedback is critical to a successful Local Control Accountability Plan and must be submitted to the State of California every year.

The responses are collected as data and presented as such. The survey is anonymous. As an option, there is an opportunity to provide your contact information, if you have a specific concern, comment or question that requires follow-up. The survey will take approximately 10 to 15 minutes to complete, and the time you take to provide us with feedback is greatly appreciated.

To take this survey, please visit:
