Inspiring every student to think, learn, to achieve & to care with

Wildcat Families,

We hope you all had a wonderful spring break with those you have chosen to social distance with! This week we dive into our first official week of distance/digital learning.

Important information for this week:

- Stay calm and take care of your families!
- If you still don't have an electronic device in your household, please connect with us to pick one up!
- We are in the process of updating the teacher page on our website to reflect the various platforms that each teacher is using.
- Students will visit school website daily to complete distance learning "steps":

Distance Learning suggestions:

- Create a daily schedule to reflect each of your classes.
- Create folders within your email to organize your communications for each class.
- Create folders within your 365 One Drive to organize you work for each class.
- For those without technology, alternative textbook resources may be given by your teacher.
- Having technology issues?? Email:
Mvusdinfo@mvusd.org

Stay Healthy,
WSMS Administration Team
