March 2025

Dear Parent/Guardian,

At Murrieta Valley High School, we want to make PROM 2025 a memorable, fun, and most importantly, a SAFE experience for all students. This year's event will be held at the Ocean Institute in Dana Point, CA. The distance to this venue is approximately 45 miles.

Ocean Institute is located at 24200 Dana Point Harbor Dr. in Dana Point. Weekend traffic is never predictable and a trip in normal conditions should take around one hour. To ensure your student remains safe and suffers the least amount of stress the administrative team at MVHS strongly encourages your student to use one of the following methods of transportation for this year's Prom:

- We have secured a bus that will provide round trip transportation from the school to the venue. The cost for the bus is \$50 per person.
- Parent transportation or a parent carpool.
- Transportation by limousine/limousine sharing.

We do not recommend that students drive themselves to the Prom, and urge you to use one of these alternative methods of transportation to this year's event. We thank you for your efforts in making the PROM a most memorable and safe one by choosing safe transportation. Please fill out the attached form and have your son/daughter return it to the Bookkeeper's window when purchasing their Prom tickets.

Respectfully,

Mr. Stephen Diephouse
Principal

Mr. Doug Hemmerling
Junior Class Advisor

Mr. Matt Stratton
Activities Director
