Attn CSF students,

It is time to button down your responsibilities for membership.

Tutoring is a responsibility for all CSF members. We are committed to supporting the library with 5 hours of tutoring each semester by each member. This is not a time to visit with friends, nor join other CSF students to work on assignments.

Tutoring is offered on Wednesday morning late start and Monday through Friday from 2:30 to 3:30 PM in the library. If you are unable to fulfil this commitment, you must see Mrs. Santelices. It is an obligation of membership.

Admin is finding that most of the tutors fill the table with their friends and work on homework, and CSF tutors are not greeting the kids coming in, helping direct them to a table/subject, etc.

We have kids every week that are sitting alone and not sure what to do because the tables with tutors are full. We are asking every student that comes into the library to go in for tutoring. The librarian will turn away students who are not. This way we can know that you are there specifically to find a tutor, or you are a tutor.

In addition, unless you have been ill and it is confirmed in Aeries, I will not take any additional late CSF Community Involvement forms.

Remember the last day to submit your application for membership for this semester is FEBRUARY 28. The link is online on the MVHS webpage under programs/ CSF.

SENIORS ONLY: Seniors, you must submit all 3 applications, timely for this semester for membership recognition. (February 28 and April 10) This includes your CSF Community Involvement form for this semester. The window to submit your grades for the 12-week grading period is April 10 to April 20. **ABSOLUTELY** no late grade submissions will be accepted. A link will post on April 10 when the window to submit opens.

Thanks so much, Mrs. Santelices
