

Presentation

Introduce yourself (for the presentation)

1. Introduce the type of project you chose to do? ie: poster, t-shirt, illustration etc.
2. If it is the type of project (such as an illustration) that might require a title what did you title it? ie: Morning Starlight etc.
3. Explain why you chose to do this particular project?
4. What is the purpose of the project or message you want to convey?
5. Explain how image(s), style, elements, color, fonts, techniques, etc. support the purpose or message.
6. What were some things you learned by doing this project?

Ask client (students) if they have any questions or if you can clarify anything.

Thank client (students) for letting you present.
