Host a European student for 26 days this summer

- EF Educational Homestay Programs is bringing ~80 students from France, Spain and Russia to Temecula / Murrieta this summer to study English and experience Southern California - from **July 8th to August 3rd**
- This is a unique and rewarding opportunity for you, your family, and the Temecula area to participate in international exchange, promote language learning, and cultivate lifelong friendships around the world
- EHP students attend language and culture classes weekday mornings at a teaching center in Murrieta and participate in fun and educational activities during weekday afternoons and some weekends

You can get to pick the student you want to host. All students come fully insured and with their own spending money. We do provide school bus transportation in the morning and evening for some areas.

If you are able to provide a room, meals and most importantly – a stable caring environment, you have what it takes to share your life with an eager European student and help make his/her dream come true!

Below is a calendar of activities for our students:
