

International Baccalaureate Letter of Intent
Murrieta Valley High School

Date: _____ Graduation Year: _____ Phone: _____

Name: _____ Email: _____

8th Grade School of attendance: _____ High School of attendance: _____

I would like to participate in the International Baccalaureate Diploma Program in 11th and 12th grade.

By completing this letter of intent, I understand that I need to enroll in pre-requisite courses for the IB

program in 9th and 10th grades. This is not a formal application for the IB Diploma Program, and it is

not a commitment to participate in the program. All students planning to enter the IB Diploma

Program need to take Spanish or French, Level 2 or higher, in 10th grade. Furthermore, all potential IB

students are expected to maintain grades of C or better and meet pre-requisites for the IB courses. By

completing this form, you will be included in all communications regarding the IB Program at MVHS,

which can include e-newsletters and information on upcoming events and informational meetings.
