International Baccalaureate Registration Packet

#### **Registration Process:**

Qualified students interested in participating in the IB Diploma Program must complete this registration packet. These forms must be completed by both student and parent. The forms to complete include:

- IB Honor Code (academic honesty policy and commitment)
- IB Contract (understanding of all requirements for the IB Diploma program)
- Two-year course planning sheet (once submitted, Mrs. Fields and Mrs. Thornburg will meet with students to assist with the 2-year planning)

#### Deadline:

# Submit your completed IB registration packet to Mrs. Thornburg by Friday, February 15<sup>th</sup> to enroll in the full IB Diploma Program.

#### Program description:

The IB Diploma Program is a highly respected, rigorous, college-prep program offered only at MVHS in our district. This two-year program offered in 11<sup>th</sup> and 12<sup>th</sup> grades provides students with an opportunity to expand their critical thinking, creative and communication skills, while potentially earning college credit, receiving a GPA boost, and gaining positive recognition in the college admissions process. Universities look very favorably on the IB Diploma Program because they understand the rigor and preparation for college the IB Diploma Program provides, which leads to greater student success in college.

#### **Qualifications**:

The general philosophy at MVHS is to make the International Baccalaureate Diploma Program available to all students who want to challenge themselves and to prepare themselves for college. Any student taking an advanced class (IB or AP) should be aware of the rigor involved in the course, requiring self-motivation and time-management skills to be successful. Although there are no official entrance exams for the IB program, below are two strongly recommended entering conditions:

- 1. Reading / Writing level: the student should be able to read and write at or above grade level.
- 2. Grades / Test Scores: a 3.0 GPA or above is recommended, with no less than a C in prior coursework.

Murrieta Valley High School's IB STUDENT AND PARENT AGREEMENT FORM For the IB PROGRAM HONOR CODE and the IB GENERAL REGULATIONS: DIPLOMA PROGRAM

It is often said, "Honesty is the best policy." Nowhere is this more true than for MVHS students in the International Baccalaureate program who strive to be principled inquirers who abide by the Nighthawk code of Respect, Integrity, Teamwork and Excellence. The IB Diploma Program is a rigorous, demanding course of study that seeks to prepare students to take on the demands of further academic study and ultimately become contributing citizens of the world. As such, the IB Diploma Program is one of the best-known, most wellrespected college-prep programs in the world. Therefore, it is imperative that MVHS students adhere to the International Baccalaureate (IB) Honor Code as set forth below.

MVHS International Baccalaureate students agree to maintain academic honesty and uphold the highest standard of academic and behavioral integrity. It is understood that participating in any of the following activities constitutes "Malpractice" and is considered a serious breach of IB Regulations. Malpractice includes:

- 1. PLAGIARISM: the copying or representation of another's work as one's own. (This includes data downloaded from the Internet).
- 2. COLLUSION: allowing another student to copy your work or submit it as his or her own.
- 3. DUPLICATION OF WORK: the presentation of the same work for different assessments, assignments, or projects.
- 4. ANY BEHAVIOR THAT GAINS UNFAIR ADVANTAGE FOR A STUDENT OR THAT AFFECTS THE RESULTS OF ANOTHER STUDENT: this would include but not be limited to using unauthorized aides during an exam, looking at someone else's paper during a test, letting another student look at your paper during an exam, utilizing unauthorized notes during an exam, or disrupting an exam by an act of misconduct, including cell phone disruptions.

Participation in any of the above behaviors or actions deemed to be similar is considered a violation of the IB Honor Code. Offenses are accumulated over all subject areas for the two years of each program. The consequences are outlined below:

- 1<sup>st</sup> Offense: Credit loss for assignment, test, project; no make-up assignment permitted; discipline referral; entry into discipline file; parent-teacher-counselor-administrative conference; Saturday school is assigned. Final grade in class may be negatively affected. Student and parent will be notified that one more offense will result in removal from the IB DP.
- 2<sup>nd</sup> Offense: Credit loss for assignment, test, project; no make-up assignment permitted; discipline referral; entry into discipline file; parent-teacher-counselor-administrative conference; Saturday school is assigned. Final grade in class may be negatively affected. Student will be dismissed from the full IB Diploma Program.

### **IB General Regulations: Diploma Program**

I have read and understood the most recent copy of the IB World Schools' General Regulations (and any amendments) available at <u>www.murrieta.k12.ca.us/page/9461</u>. I have read the MVHS IB Honor Code and agree to abide by it.
