

INTERNATIONAL BACCALAUREATE SCHOLARS PROGRAM

IB DIPLOMA PROGRAMME STUDENTS are prepared to participate in a global society. Your rigorous, balanced curriculum has taught you to be curious, open-minded and understanding of other cultures.

We know the kind of research you're doing in your IB studies. You're making connections **across** disciplines and gaining a greater perspective on complex global issues.

The conversations you started in IB can be continued at Transylvania. We speak the same language and hold the same values, so you'll have a head start. Let us help you apply your IB training to one of our 40 majors and reward you for your hard work.

WHY TRANSYLVANIA?

Transylvania's deep foundation in the liberal arts makes us a natural extension of the IB curriculum—together we believe that knowledge, creativity, service and empathy are vital to today's education. Upon being immersed in those core values, a generation of educated citizens can lead the world. We are offering, among other great benefits, up to \$74,000 in scholarships over four years to IB students.

Founded in 1780, Transylvania is the 16th oldest university in the United States and the first west of the Allegheny Mountains. We're a tight-knit, supportive community where professors get to know and challenge their students and where relationships that are built on campus continue for a lifetime.

IB SCHOLARS ARE GUARANTEED:
