Coaching Staff

Coach Vance Sather enters his second season guiding the Nighthawk girls basketball program. This will be his thirteenth season coaching basketball previously serving as a head coach at Walla Walla College (WA) and Southwestern Adventist University (TX) and an assistant at Pierce College(WA) and Western New Mexico University (NM). Coach Sather earned a B.S. from Walla Walla College and a M.S. in Sport Psychology from the University of Idaho. He works for the MVHS math department teaching freshman algebra classes and is relocating to the area for Charlotte, NC where he taught middle school math and coached three sports. In his free time you will find Coach Sather competing on the golf course with colleagues or cycling on the local roads.

Coach Scott Richards has coached girl's basketball at MVHS for four seasons; twice as a freshman head coach and twice as the JV head coach and assistant Varsity coach. During the off-season he also contributes to the strength and conditioning program. Coach Richards graduated with a B.S. from UCSD and received his teaching credential from Cal State San Marcos. While attending high school and parts of college he played baseball, track and field, and of course basketball. He has taught at Murrieta Valley High School for four years; teaching Biology, Life Science, and Marine Biology.

Coach Carlos Santiago and his wife Shani of 15 years, are graduates of Cal Poly Pomona. Coach Santiago completed his Bachelors in Business Management in 1989, and then his teaching credential in 1991. This is Coach Santiago's second stint coaching freshman girl's basketball. He first coached from 1994 to 1998, the first of these years at Fallbrook High School and the last 3 at Murrieta Valley. He has also coached in the Murrieta Valley High School baseball program, starting in 1995 as a walk on coach, assisting Coach Tarabilda with freshman baseball and then working his way up to the head coaching position at the varsity level in 2003. He stepped down from coaching at the high school level going on 2 years and has been coaching his three children; Caitlyn - 7, Steven - 11 and Carly - 14 at various sports. Coach Santiago is the adviser for Nighthawk Productions and a media/technology/computer teacher with a main emphasis on production of the Nighthawk Daily News.

Seventeen years ago on my birthday God gave me a special gift. It was you, everyday I thank him. You have made us proud. You reach for the stars in everything you do, and that makes us smile. Through the years, watching you grow into a young woman has been our pleasure. We love you Lexi Lou Lou. Remember, just do the right thing. God Bless you our angel. Keep reaching for the stars.
