

### **ACT & SAT Test Prep - Live & Online!!**

It's time to start establishing habits that will ensure your success on the ACT & SAT. JCB EDU's live and online program allows you to start practicing and honing your skills from the comfort of your own home, coffee shop, on vacation...wherever! No reason to drive anywhere, and no need to invite a tutor into your home. Your computer and a quiet environment are all you need. Instructors meet with you in a live, virtual classroom to instill habits that will change your performance on the ACT/SAT and in the classroom as well. UCLA, HARVARD, USC, Colorado State, Yale, Stanford, San Diego State University and many more...these are just some of the universities that students have gained acceptance to by using the habits practiced with JCB EDU. No matter what your GPA is, you have a chance to have an amazing university experience and career...but you have to start now! 9th-11th grade students...it is never too early. Grab the tens of thousands of dollars that are waiting for you in scholarship money by signing up at [www.jcbedu.com](http://www.jcbedu.com). Classes are on Sunday afternoons. They are with live instructors and on your computer. Get started ASAP to change your future!
