- Test is available for all 10th and 11th Graders who wish to participate.
- The test is non-refundable.
- All Students interested must register by October 9, 2022 through the link provide.

The PSAT helps students determine what they need to work on most so that they're ready for college when they graduate from high school. The PSAT tests the same skills and knowledge as the SAT. It measures what they're already learning, shows them whether they're on track for college, and lets them know where they need the most improvement. That means students have time to tackle these areas long before they take the SAT.

PSAT/NMSQT Scores can identify AP courses that students have a 60% chance or greater on earning a 3 or better on a future AP exam
