

AP Calc BC Update Tuesday March 24th

President Trump announced today that he wants all businesses open by April 12th. Malaria drugs are showing some effectiveness against the virus. So, I am going to share in this optimism and say that we will all be back in the classroom by May 1st. With that goal in mind, here is a revised schedule.

I am going to set a tentative due date for the homework assignments on the three BC level FRQ topics. I'm not sure how I would have you submit these yet, but you should set the goal of having these 3 assignments done by Friday April 17th. See the next file for some notes on the Semester 1 topic FRQ's. If you get bored, go to the AP classroom and continue practicing.

Starting May 1st, here is what I would see as a tentative schedule:

5/1,4: Review Chapter 10

5/5,6: Chapter 10 Test

5/7,8: Go over three FRQ topics by reviewing any homework questions. All HW answers will have been previously posted after HW has been submitted.

5/11,12: Go over Spring Break Practice Exam

5/13,14: Mixed Topic FRQ

5/15,18: Recent AP Test MC Practice

5/19,20: Recent AP Test FRQ Practice

5/21,22: Go over assigned practice final

5/26,27,28,29: AP exam final

On April 3rd, AP is going to release more information about the AP Exam and I may adjust topics accordingly.

Stay positive and email me if you have any questions.

Mr. Tupaj
