Estimada Srta. Awbrey,

---

(Last summer, I camped in the mountains.)

---

(We went down a river by canoe and we took a stroll.)

---

(I liked the outdoors! It was fresh!)

---

(The day before yesterday, I began a swimming class.)

---

(I also played golf and practiced volleyball with my friends.)

---

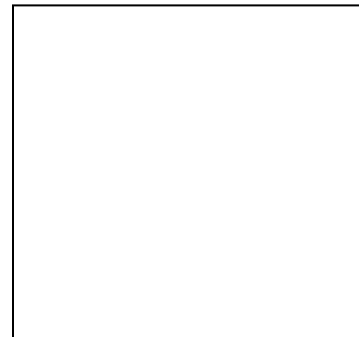

(Yesterday, I enjoyed playing the piano and I packed my bags.)

---

Atentamente,

---
