

The Advanced Placement Readiness (APR) program provides supplemental instructional support to current and potential AP students in the following courses:

- AP English Language
- AP English Literature
- AP Biology
- AP Chemistry
- AP Physics
- AP Computer Science Principles
- AP Calculus AB
- AP Statistics
- AP World History
- AP Human Geography

The APR program also provides high level professional development for current and potential teachers of AP courses in STEM and Humanities areas. AP teachers involved in APR will participate in course-specific professional learning that includes observing and interaction with master teachers and engaging in professional networking that promotes best practices and rigorous AP instruction.
