

## Setting Up Your Account in Haiku

Follow these directions to set up your student account in the Haiku Learning Management System:

1. Logon to Haiku: <http://mvusd.haikulearning.com/do/account/login>
  - a. Your username is: your 9-digit school ID number
  - b. Your default password is: 2016MVUSD (all caps)
  
2. Go to “My Account” at the very top of the page. Click the “User Info” tab.
  - a. Upload a school-appropriate picture of yourself
  - b. Put in your mobile phone number if you want to receive text alerts about the class
  - c. Put in your e-mail address to receive e-mail alerts about the class
  
3. Click the “Preferences” tab on that page.
  - a. Choose how and when you want to be notified about new things that are added to Haiku
    - i. I suggest that you get either an e-mail or SMS (text) for the following:
      1. New Class Announcements
      2. New Inbox Message
      3. New Dropbox message or file
      4. Updates to content in my class
  
4. Under “My Classes” at the top of the screen, click “AP Human Geography”
  - a. Browse around and get a feel to this website
  - b. Check out the calendar tab, which tells you what we do and what assignments are due
  - c. Check out the different Unit subpages on the left. See how the videos work and how to find assignments or files if you are absent
