

## Computers/ICT Weekly Grade Reports

Directions: Aries/Quia will be updated as soon as new grades are available. Fill in the following information pertaining to your grade report every week. This will be part of your notebook grade.

| <b>Week</b> | <b>Grade</b> | <b>Test Score</b> | <b>Quiz Score</b> | <b>Typing Minutes</b> | <b>Area(s) needing improvement</b> | <b>Parent Signature<br/>(if grade is less than 70%)</b> |
|-------------|--------------|-------------------|-------------------|-----------------------|------------------------------------|---|
| 1.          |              |                   |                   |                       |                                    |   |
| 2.          |              |                   |                   |                       |                                    |   |
| 3.          |              |                   |                   |                       |                                    |   |
| 4.          |              |                   |                   |                       |                                    |   |
| 5.          |              |                   |                   |                       |                                    |   |
| 6.          |              |                   |                   |                       |                                    |   |
| 7.          |              |                   |                   |                       |                                    |   |
| 8.          |              |                   |                   |                       |                                    |   |
| 9.          |              |                   |                   |                       |                                    |   |
| 10.         |              |                   |                   |                       |                                    |   |
| 11.         |              |                   |                   |                       |                                    |   |
| 12.         |              |                   |                   |                       |                                    |   |
| 13.         |              |                   |                   |                       |                                    |   |
| 14.         |              |                   |                   |                       |                                    |   |
| 15.         |              |                   |                   |                       |                                    |   |
| 16.         |              |                   |                   |                       |                                    |   |
| 17.         |              |                   |                   |                       |                                    |   |
| 18.         |              |                   |                   |                       |                                    |   |
