To: Parents/Guardians  
From: VMHS Science Department  
Date: August 11, 2011

The Chemistry courses at Vista Murrieta High School are asking for a voluntary \$10.00 **tax deductible** laboratory donation for the 2011-2012 school year. If the donation is not paid, the students will still be able to complete all laboratory activities and it will not have an effect on the grade. The donation will assist in the purchase of the necessary lab materials and consumables used in the classroom and will enable us to provide additional laboratory activities for the students. These additional labs will greatly enhance the learning experience of our chemistry students.

These donations will be collected in the first week of September. Please pay in either cash or money order. VMHS does not accept checks.

Thank you for your assistance,

Vista Murrieta Science Department

Yes, I plan on donating \$10.

No, I am unable to donate \$10 at this time.
