To: Parents/Guardians  
From: VMHS Earth Science Teachers  
Date: August 15, 2016

The College Prep Earth Science Course at Vista Murrieta High School is asking for a voluntary \$10.00 **tax deductible** laboratory donation for the 2016-2017 school year. Please realize, if the donation is not paid, the students will still be able to participate in all labs and it will not have an adverse effect on their grade. However, over the years our budget has been drastically cut and the lab fee donation is needed in order to perform more in depth and meaningful labs, and to lower the number of students in each lab group. Please know that every penny of the donation will go towards the students and the labs that they will be able to do this year and will greatly enhance their laboratory experience. Your support is vital to our success in the classroom.

Please note checks are not accepted. In order for students to receive credit for their donation, they need to return this letter or a receipt to their teachers. Please pay online. If you have any questions and/or concerns, please do not hesitate to contact their teacher.

Online Donation: [http://webstores.activenetwork.com/school-software/vmhs\\_material\\_donht3/index.php](http://webstores.activenetwork.com/school-software/vmhs_material_donht3/index.php) then find the Earth Science icon.

Thank you for your support,

Mr. Heise, Mr. Fryer, and Mr. Jarrett

- Yes, we will be able to donate \$10.00 for lab materials.  
 No, we will not be able to donate at this time.
