Intermediate-level receptive and expressive skills will be developed through a variety of instructional activities. Emphasis will be placed on expression in the target language on a regular basis in order to enhance student's linguistic abilities.

Use of expressive communication will vary from 50% to 75%, while receptive communication will remain at 75% during instructional time.

American Sign Language III

Grade Level: 11-12

Course # 4070

Prerequisite: Grade C or better in ASL I and teacher approval

Length: Year

This course meets UC/CSU (E) and District graduation requirements. Students will learn about the language and culture of the Deaf community. Advanced intermediate-level receptive and expressive skills will be developed through a variety of instructional activities. Emphasis will be placed on expression in the target language on a regular basis in order to enhance student's linguistic abilities.

The teacher will sign in the target language (ASL) 75% of class time to build receptive skills. The teacher will expect students to use the target language 75% of class time to build expressive skills.

Dear Students, Parents, and/or Guardians,

Welcome to American Sign Language. I look forward to this upcoming year. American Sign Language (ASL) is a rich language comprised of its own independent vocabulary, grammar, and sentence structure. It is very different from the English language. Along with the language, we will learn about Deaf Culture and appreciation for culture as a whole. We will use reading materials, videos, cooperative learning activities, and long-term assignments to assist in understanding the Deaf, their language, and its growth through the years. First, **please read through this syllabus carefully** and be sure to sign and return all forms as soon as possible.

Texts:

- **Haiku Student Portal:** This is the website where most of the homework will be completed. This website will be used to study from home and will include posted notes and assignments. It is very important students obtain access to the Haiku Portal ASAP.
<https://mvusd.haikulearning.com/do/account/login>
- **Master ASL Level 1: Jason E. Zinza.; Sign Media Inc. (These are in class only.)**

Materials Required Daily:

- Bound notebook (may be spiral if desired) for interactive journals. These must be separate from a three ring binder so they can be submitted for scoring.
- At least 2 pencils or pens.
- Loose paper for any extra assignments
- Yourself (this includes your brain to think with and you hands to sign with)

You will need extra materials for large projects and assignments.

Technology Requirements:

Students will be able to access course information via the following website:

<https://mvusd.haikulearning.com> (haiku- new learning management system)

This website is extremely important and will be your source for reviewing, homework, specific course information, and assignments. You will need to login and begin accessing this page ASAP during the course and use it regularly.

ASL 3 Outside Requirements

ASL 3 classes are required to participate in 1 Deaf Event per semester and submit proof of attending the event (ex. a ticket PLUS a picture at the event). Students will be responsible for arranging their own transportation to and from these events. I will be updating Haiku with specific dates and times as these events occur. These events are after school hours and are an awesome opportunity for students to practice their signing skills outside of the classroom with people who are deaf.

Additionally, ASL 3 students are required to participate in the annual ASL show. This event is exciting and an opportunity for friends and family to see and appreciate all of the hard work of the students. It will require the students to participate in after school rehearsals and the show nights. I will be providing further information on the dates of the show and the times students will need to be present as the year continues. This is always an exciting event!

Classroom Rules:

- My number one rule is **Be Respectful**. This includes being respectful to your peers, your teachers, your classroom, your books, the class set of books, the school staff, and of the school-wide regulations (i.e. no hats in the classroom, no electronics etc. Please see student handbook for details.)
- **Be on time**: If you are not in your assigned seat by the time the bell rings you will be marked tardy. If you are tardy, it is your responsibility to approach me and inform me so you are not marked truant for the class period.
- **Be Prepared**: This not only includes your completion of homework (every night you will have homework to review what we are learning in class) and having studied any past information, it includes you having your bound notebook and pencil out at the sound of the bell, ready to work. Also, please be prepared to have your voice off and sign. Each class will begin with time spent only in ASL, so please turn your voice off at the door. If at any time I find you not prepared, participation points will be lost. Nightly Homework will be to review!
- **Clean up after yourself**: Leave the class looking clean and organized for the next class. Please do not stick gum underneath the desks. I find this not only completely disgusting, but unsanitary and aggravating. Also, please do not deface or vandalize school property by drawing on desks, chairs, walls, or the school books. If you see any vandalism, please report it to me ASAP so it can be taken care of.
- **Have "CLASS"**: VMHS is a strong supporter of the qualities of Character, Leadership, Attitude, Scholarship, and Service in their students. Please, conduct yourself with Class at all times.

Make-up Work:

It is your responsibility to ask for any make-up work if you miss a day. Please email me and ask me what was missed and for any assignments that are approaching. I will accept assignments up to 1 week late for full credit if absence is excused. If the absence is not excused, I will not accept the assignment and a zero will be entered as the score unless other prior arrangements have been agreed upon. Exams and quizzes must be made up within one week of when the test was given. After this, you will not be permitted to make it up. See me to schedule a time for make-up. Remember, it is your responsibility to ask what you missed and make it up accordingly. Major assignments must be submitted on time or early if needed unless otherwise arranged. Please call or email me with any questions or if any problems arise.

Grades:

Grades are on a cumulative point system based on participation, daily activities, notebook entries, long-term assignments, group assignments, tests, and creative projects. Higher point values will be given on assignments that take longer time periods to complete. Students will start each semester with 100% in participation, but these points can be lost through disruptive behavior, not participating in class activities, being unprepared, and/or excessive unexcused absences. The grading scale will be calculated as follows:

ALL ASL Class Grade Weighting

Formal Assessments: 70%

(i.e. Section Quizzes, Unit Tests, Evidence of Skills Assessments, and Finals)

Informal Assessments: 30%

(i.e. Projects, Participation, Notebooks, Classwork, Homework)

Remember, I am here for any questions or recommendations you may have. Please feel free to call or email me whenever needed. Please remember to sign and return all of the following forms (Syllabus Agreement and Movie Permission Slip).

Syllabus Agreement

Student Name_____

Period_____

Dear Parents or Guardians,

Your son or daughter has registered for American Sign Language as their foreign language elective this year. In this course we will not only be learning grammatical aspects of the language, but also about the history and culture of the Deaf Community. This is a fun language that tends to peak students interests and create a desire for them to learn more about it. I hope this year is successful and exciting for all of us. I ask that you please read through the syllabus, movie permission slip, and foreign language standards carefully and contact me if you have any questions or concerns. After reading through these forms, please sign them and fill out the contact information below so that I may contact you if needed during the day. Then, return this and the other to forms with your student so that I may have them for my files.

Thank you,

Dr. Shannon Warren

I have read and understand and will try my best to abide by all of the information provided in the syllabus.

Video Presentation Permission Form for ASL Classes

Dear Parent or Guardian,

Since ASL is a visual language with an extremely rich and diverse culture, we will be watching a variety of movies during the year. Below is a list of movies that may be viewed during this year with their rating. Each of the videos will expose students to sign language and Deaf Culture learning opportunities. Video Presentations are aligned with the curriculum and topics of study in each class. Below are some of the standards that the Video Presentations will target for students:

Standard 1.2 Students understand and interpret written and spoken language on a variety of topics

Standard 2.1 Students demonstrate an understanding of the relationship between the practices and perspectives of the culture studied

Standard 2.2 Students demonstrate an understanding of the relationship between the products and perspectives of the culture studied

Standard 3.1 Students reinforce and further their knowledge of other disciplines through the foreign language

Standard 3.2 Students acquire information and recognize the distinctive viewpoints that only are available through the foreign language and its cultures

Standard 4.1 Students demonstrate an understanding of the language through comparisons of the language studied and their own.

Standard 4.2 Students demonstrate an understanding of the concept of culture through the comparisons of the culture studied and their own

Standard 5.2 Students show evidence of becoming lifelong learners by using the language for personal enjoyment and enrichment

Standard 5.3 Students engage in activities which prepare them to use the target language to attain career goal

This letter is being sent to you in compliance with MVUSD BP 6161.1 requiring parents/ guardians to approve the intended use of listed above. As part of this MVUSD policy, we ask you to authorize or exempt your student from the viewing/presentation. Please have your student return the completed form to their teacher. Students exempt from this viewing/presentation will be required to complete an alternative assignment. Should you have any questions regarding the viewing/presentation, please contact me via email swarten@murrieta.k12.ca.us.

Thank you,
