

MAKE-UP PICTURE DAY

Wednesday, March 3, 2021

1-4 p.m.

If your student was not able to get his/her school picture taken on February 10 or 11, our make-up day is **March 3 from 1-4 p.m.** in the New MPR. The line to have pictures taken will form outside, and camera equipment will be set up in the MPR. For everyone's safety, physical distancing protocols will be in place, and masks will be required while waiting in line.

Parents, if you are interested in purchasing prints of your child's school picture, you can choose your picture package and order online – [CLICK/TAP HERE TO ORDER](#). Purchasing prints is optional, but **orders must be made online**. If you do not plan on purchasing any pictures, please still plan on getting your child's picture taken so it can be included in the yearbook.
