

Alta Murrieta Costume Parade 2019

We will be having our annual costume parade on **Thursday, October 31**. If your child would like to come to school dressed in a costume, we will be having a school-wide parade beginning at 9:00 a.m. Students are not required to wear a costume.

Remember that costumes must be appropriate for school. We are encouraging costumes of literary or historical figures and ask students and parents to be sensitive to our younger students. Costumes that may frighten small children should not be worn, and costumes or make-up cannot display blood. Also, toy weapons of any kind (e.g. swords, guns) are not allowed at school. Students not dressed appropriately will not be permitted to walk in the parade and may be asked to change.
