

ALTA MURRIETA
ELEMENTARY
“PURSUING EXCELLENCE”

August 2, 2020

DEVICE CHECK-OUT & DISTRIBUTION DATES

A reminder that if you have an Alta Murrieta student in your home who is in need of a dedicated device to participate in virtual instruction to start the school year, [please complete this form](#) by **Tuesday, August 4** so we can prepare devices for distribution.

For your convenience, we have scheduled the follow two dates for distribution of student devices:

- Monday, August 10 1-4pm
- Thursday, August 13 9am – 12pm

To adhere to physical distancing protocols, devices will be distributed using a drive-thru model (similar to how we conducted student materials pick-ups during the last week of school in June). If you have signed up to check out a device using the form above, simply drive through our front loop during the window of time on either of the dates listed above and a staff member will meet you at your car to assist you. In order to check out a device, a parent must complete and sign an MVUSD Student Device Loan Agreement ([download in English](#) | [download in Spanish](#)). Please print and bring with you the completed and signed agreement. Blank copies will be available on site.

CLASS PLACEMENTS

Since we are not able to hold our annual in-person orientation where we traditionally distribute class placements, classroom assignments will be posted in the [Aeries Parent Portal](#) the afternoon of **Friday, August 7**. The school will send out an email message that afternoon when placements have been posted. Included in that message will be suggested school supply lists and a link to a virtual “Meet the Teacher” website where you’ll be able to watch a short video of your child’s teacher introducing himself/herself!

STUDENT MATERIALS DISTRIBUTION DATES

With the school year opening virtually, we will be distributing materials students will need to use at home during virtual instruction (e.g. student workbooks, manipulatives, etc.). As was the case with the pick-ups during the last week of school in June, we again will be distributing these student materials using a drive-thru model. Simply drive through our front loop during the window of time on your student’s assigned date (listed below) and a staff member will meet you at your car to deliver your student’s materials. Please do not park.

STUDENT DATA CONFIRMATION

If you haven't already done so, please be sure to go online and update/confirm your student's information (contact information, health needs, etc.) as well as digitally review and sign the district's annual notification forms. To complete this online portion of the annual orientation process, please follow the steps below.

- [Click/tap here](#) to be directed to the **Aeries Parent Portal**.
- Once logged in, you can review, complete, and digitally sign the required district forms. Parents of returning students can simply log in with the account they used last year. If your child is new to Alta Murrieta this year, you can create a Parent Portal account using the nine-digit Student ID number and verification code provided by our school office staff. If you do not have this information, please call the school office at 696-1403.
- When reviewing your contact information, please ensure that phone numbers and email addresses are accurate in order to keep communication lines open.
- When completing the "Student Health History" portion in the Parent Portal, it is imperative that any and all health conditions are checked. Please be sure to carefully review this section so that we have accurate information on your student's health needs. If your student has no known health conditions, please be sure to check the box next to "**No Known Health Problems.**"
- **Please complete this required step in the orientation process by August 5.**

The first day of school is **Friday, August 14.**

For more information, please be sure to call or visit our front office, [visit our website](#), and follow us on social media!
