

ALTA MURRIETA
ELEMENTARY
"PURSUING EXCELLENCE"

WELCOME TO THE 2021-2022 SCHOOL YEAR!

Dear Alta Murrieta Families,

I am excited to announce that we are planning for a return to full-time, in-person instruction with traditional bell schedules for the 2021-2022 school year! While it looks like we will begin the year with masks being required indoors, we are eager to welcome all our students back on campus for a fun and engaging year of learning! The first day of school is **Wednesday, August 11**. Please note the important information below student data confirmation, class placements, and an opportunity to visit the campus before school starts.

STUDENT DATA CONFIRMATION

Prior to the start of the school year, all parents are required to go online and update/confirm student information (contact information, health needs, etc.) as well as digitally review and sign the district's annual notification forms. To complete this online portion of the annual orientation process, please follow the steps below.

- [Click/tap here](#) to be directed to the **Aeries Parent Portal**.
- Once logged in, you will be prompted to review, complete, and digitally sign the required district forms. Parents of returning students can simply log in with the account they used last year. If your child is new to Alta Murrieta this year, you can create a Parent Portal account using the nine-digit Student ID number and verification code provided by our school office staff. If you do not have this information, please call the school office at 696-1403 (the office reopens on Monday, July 26).
- When reviewing your contact information, please ensure that phone numbers and email addresses are accurate in order to keep communication lines open.
- When completing the "Student Health History" portion in the Parent Portal, it is imperative that any and all health conditions are checked. Please be sure to carefully review this section so that we have accurate information on your student's health needs. If your student has no known health conditions, please be sure to check the box next to "**No Known Health Problems.**"
- **Please complete this required step by August 5, as teacher placements cannot be given until student data confirmation has been completed.**

CLASS PLACEMENTS

Class placements will be posted in the [Aeries Parent Portal](#) on **Thursday, August 5 at 9:00 a.m.** Specific instructions detailing exactly how to locate your child's class placement in the Aeries Parent Portal will be sent to you prior to August 5 – please check your email the week of August 2 for more detailed information.

CAMPUS VISIT OPPORTUNITY & NEW STUDENT TOURS

If you'd like to come see where your student's new classroom is located, we will be opening up our campus for optional campus visits on **August 5 from 10 a.m. – 1:00 p.m. and 5:30 – 6:30 p.m.** If your child is new to Alta Murrieta, we encourage you to stop by the school during one of the windows above. While classrooms will not be open and teachers will not be available during this time, this will be a great opportunity to get the lay of the land and meet some of our staff including the principal and assistant principal. We will also be offering campus tours for our new students, and our PTA will be on site with membership information and details on how to purchase spirit wear.

Once again, please take a few moments to log in to the [Aeries Parent Portal](#) to update/confirm your student's data. Please complete this required step before August 5, as you will not be able to view your child's class placement until you have completed the student data confirmation. Our school office is now open, so if you have a question or need to register a new student, please give us a call or stop by in person. You can also view our summer office hours by [clicking/tapping here](#).

We hope to see many of you during the optional campus visits on August 5! Should you have any questions, please feel free to call the school office at 696-1403.

It's going to be a great year! 😊

Mr. Coley
