- ☐ Gloria Jankowski (*parent of 1st and 3rd grade student*)
Hello! My name is Gloria Jankowski and this will be my fourth year as a parent at Alta Murrieta Elementary. I am married to Henry Jankowski, who is an US Army Veteran. We have two children; a son in third grade and a daughter in first grade. I have an extensive background in education and obtained my Bachelors of Arts in Liberal Studies at San Diego State University and my Masters of Arts in Teaching with a Specialization in Educational Technology from National University. I also have my California Clear Multiple Subject Teaching Credential and I have been teaching for nearly 11 years at a local charter school. Currently, I am a Resource Center Administrator at a charter school in Temecula. For the past two years, I was given the opportunity to serve on the Alta Murrieta Elementary School Site Council. I would like to continue to serve on the Alta Murrieta Elementary's School Site Council because as a teacher, administrator, but most of all parent, I would like to see Alta continue to flourish and rock!
