

VMHS Women's Soccer

Welcome to VMHS Women's Soccer, what follows is important information regarding equipment, fundraisers, Rosters and the schedule for this year.

Equipment:

It is recommended all Bronco soccer players purchase this equipment:

- Equipment will include the following:
 - Home & away game socks (\$24)
 - 4 practice shirts (\$42)
 - 1 team sweatshirt (\$48)
- **Please purchase via the website (TBD soon)**

FUNDRAISERS:

As a group each girl will be responsible for fundraising a minimum of \$200. The options are as follows:

1) Write a check for \$200.

2) This year we will again sell golf tickets as our fundraiser. You can purchase a block of 10 tickets at \$17 each for a total of **\$170**. **You will make your \$170 back once you sell every ticket.** This is a tremendous fundraiser for our program as these tickets are donated to us and we make \$15 (\$150 out of the \$200) on each ticket for the VMHS girl's soccer program. The profit from this fundraiser goes towards uniforms, equipment, travel, coach's stipends, and tournaments. Without these valuable fundraisers Bronco Soccer would not have the quality equipment and gear we need to be successful.

- **The deadline to pay for the golf tickets is December 16th, 2011.**
 - **Please pay the bookkeepers, and bring your receipt to Coach Heise.**

3) Another option is to get sponsorships for the Murrieta Valley High School Golf Challenge held every April. There are Hole Sponsorships for \$250-500, Pin Sponsorships for \$1000, Team Sponsorships for \$2500 and Corporate Sponsorships for \$5000. There is also an auction at the event that made us money this past year. There are goods and services donated such as Spa treatments, 4-somes at various golf courses, tickets to sporting events, various gift baskets and gift certificates of many kinds. I've included some information.

4) Business or prospective donor advertising. The flyer is part of the packet.

5) Friends and Family donation letter. This is an important and affective activity for our program. All players, choosing to do so, need to have **10** addressed and stamped envelopes of friends or family who may want to help our program to Coach Heise by Wednesday December 14th. By choosing this option this counts as \$50 of fundraising whether we receive donations or not.
